

PROFESSIONAL LECTURE SERIES: LECTURE-6

ROLE OF LAW IN GROWTH AND DEVELOPMENT OF SOCIETY

20th MARCH, 2018

Gitarattan International Business School organized a lecture on 'Role of Law in Growth & Development of Society' on 20th March, 2018. The lecture was delivered by Dr. Harsh Pathak, Advocate, Supreme Court of India.

Dr. Pathak started with brief information on inter-relation between Law, Development and Society. He mentioned about Fundamental Principle under which we should know our boundaries, protect it and should respect boundaries of others.

Dr. Pathak discussed that how Trolli Experiment of 1950's in US can be interpreted by relating Morality with Utilitarian Principle. He focused on Development of community which will automatically lead to development of individuals and hence Law can be Channelized accordingly.

At the end, he spoke about the Acts such as Hindu Marriage Act, Hindu Succession Act, Dowry Prohibition Act etc which have brought many changes in society and took the society to a new developing Stage.
