

**WORKSHOP ON
DEVELOPING LEARNING AND THINKING SKILLS
24 SEPTEMBER 2018**

Gitarattan International Business School (GIBS) organised a Personality Development Workshop on the topic ‘**Developing Learning and Thinking Skills**’ on September 24, 2018 for BALLB and BBALLB students. Mr. Atul Sharma, who has rich experience in the area of Training Systems Development, Performance Improvement, Change Management and Instructional Design was the speaker for the workshop.

The speaker discussed that learning and thinking skills always provide a framework for describing the qualities essential for achieving success in life. These skills enable the youth to understand and evaluate their own capabilities, thereby, helping them in making informed choices and decisions. He also discussed with the students to understand the relationship between their personal skills and professional skills. Both skills are necessary to become a competent legal professional.

The speaker explained the students about the various modes of learning and effective thinking. He attempted to capture all the essential facets of learning including managing self; managing relationships with others; and managing own learning and thinking skills, performance and work. He engaged the students with his educational videos, life examples, puzzles and creative thinking. The students immediately connected with him and showed great admiration and interest in the workshop which was directly affecting them in a positive manner.

In the end, the speaker shared his website address – ‘**[oasisof learning.com](http://oasisoflearning.com)**’ with the students. He told the students that they can continue to learn through his website. He also informed students

that he will also share the relevant information **through a link** especially created for the students of Gitarattan International Business School.

The lecture will certainly provide guidance to the law students on improving their learning and thinking capabilities which certainly bring a positive change in their lives and legal career.
