All in good humour, a few teachers like Ms. Ashima, Ms. Seema, Ms. Guneet, Ms. Ashneet and Ms. Anjali Taneja performed singing and poetry for everyone to enjoy. All the programs were enjoyed by the teachers.

Addressing the teachers on the occasion, Mr. Anirudh Jindal, the Vice-Chairman expressed that Teaching has always been considered a noble profession. Through teachers flow the values and culture of a nation and its people. Teachers' own value system, their character and their behaviour directly influence our young students. Further, he also briefed 4 kinds of teachers in Hinduism.

1. **The Shikshak:** A person who is just a teacher who has no personal experience. He teaches what others taught him.

2. **Adhyapak:** A person who has a little personal experience. He teaches what he has learned from others. Yet, he trusts his teachings of others.
3. **Upadhay:** A person who has his own personal experiences. He teaches his own as well as others teachings. He starts with 'I' sentences. He knows things as they are from his own experience. He is rich.
4. **Acharya:** A person who has so much personal experiences that he prefers silence. He isn't wise. He is wisdom. He teaches very rarely. His presence teaches more than his words. All those who come to his presence are immediately relieved of their tons of worries.

Prof. B.S.Hothi, Director extolled the role of teachers in a student's life. He added that teachers have a greater role to play to meet the needs of the skills requirement in the new world. The teachers are required to keep themselves up to date with ever-growing knowledge and worldwide challenges that are going to influence their students, society and the nation. Further, Teachers are the most responsible and important members of society as their professional efforts affect the fate of mother earth.
