

ALUMNI LECTURE SERIES

24th January 2019

Gitarattan International Business School invited past alumni for Alumni Lecture Series (ALS) on 24th January, 2019 to share their success stories with students of MBA second semester and provide an insight about the career paths they had chosen that led them to where they stand today.

The first speaker of the day was Ms. Rashmi Oberoi (MBA 2010 – 12 batch), who is working as an Assistant Manager in Trainocate Networks India Pvt. Ltd. She opened the session by talking about her journey from a student to a fresher and how patience and motivation helped her achieve the goals. She also added that doing best and enjoying work is her key to success. She encouraged the students to keep exploring new avenues that would help them grow mentally and physically. Mr. Gaurave Bhatla (MBA 2009 – 11 batch), Team Developer, Bank of America was the second speaker of this series. Giving his example, he briefed the students about challenges in the finance industry. He said that one has to be consistent in professional life in order to be successful. He emphasized on skill enhancement saying that our skill set can help us become a master of our field.

The third and final speaker of the day was Mr. Kunal Vachhani (MBA 2009 – 2011 batch), a successful entrepreneur. Talking about his transition from a student to an entrepreneur, he shared how he started his career as an advertising professional and waded through the waters of entrepreneurship till he found the shore. He motivated the students by saying that knowing our passion is the most important thing that we can do to ourselves and making one percent adjustment every day can help us reach the higher levels.

Prof. D. K. Choudhary presented mementos to the alumni. The session ended with a vote of thanks by Ms. Rashmi Batra. It was a very engaging and interactive session.
