

CHRONICLES – THE ALUMNI MEET

2nd March 2019

Gitarattan International Business School (giBS) organised “Chronicles – The Alumni Meet” on 2nd March, 2019 at the college premises. The occasion was an incredible reunion graced by alumni from different batches who came to their alma mater to indulge in the nostalgic memories.

The event was started with “Ganesh Vandana”, a prayer to Lord Ganesha to seek his blessings followed by the auspicious lamp lighting ceremony. Our honourable director, Prof. B.S. Hothi delivered a welcome speech to the alumni. A video presentation depicting the alumni journey from their fresher party to farewell was showcased, recalling the college memories. Spectacular dance performances of Bhangra and hip hop invigorated the audience. Our honourable Vice Chairman, Mr. Anirudh Jindal enlightened everyone about the newly formed GIBS Alumni Association. The occasion was sweetened by the cake cutting ceremony. The event was sparked with fun and amusement during the gaming session wherein minute to minute games and ice breakers rekindled the childhood in the alumni. The function finale was marked by a face off performance which left the audience bedazzled.

DJ Anant made everyone shake their legs on his music beats. The day came to an end with an amazing dinner which was enjoyed by all. It was a memorable evening indeed that rendezvoused faculty and old students and created everlasting memories to cherish.
