

PERSONALITY DEVELOPMENT WORKSHOP ON TEAM BUILDING AND WORKING WITH GROUPS

27th March 2019

The Institute organised a Personality Development Workshop for the students of MBA (Masters of Business Administration) first year on 27th March, 2019. The theme of the workshop was “Team Building and working with groups”. The guest speakers for the session were Ms. Karuna Ahuja, Senior Director – HR, Arvato Bertelsmann and Mr. Punkesh Chawla.

The whole workshop was divided into two sessions. Morning session was taken by Mr. Punkesh Chawla and evening session was taken by Ms. Karuna Ahuja. Team building refers to the various activities undertaken to motivate the team members and increase the overall performance of the team. Keeping this in mind various activities were conducted in the workshop to groom students how team members should work in a team, motivate them and make them perform their best.

Through this workshop students got the opportunity to know each other in a fun and relaxed environment and at the same time they got to understand co-operation and problem solving techniques under teamwork.

Finally the session ended with a vote of thanks and memento presentation to the guest by Director, Prof. B. S. Hothi.
