

PROFESSIONAL LECTURE SERIES

18TH SEPTEMBER, 2020

Gitarattan International Business School (giBS) organized An E-Professional Lecture Series on 3rd February, 18TH September, 2020 for the BBA Semester III students. Mr. Felton Lean was invited as the guest speaker to discuss on “Taking Advantage of the Corona Virus Disruption to Rethink and Possibly Reinvent your Career”. He delivered his lecture through the virtual platform of Webinarjam.

He started the session by discussing the career related problems arising due to pandemic. He suggested and encouraged students to remain positive and perseverant during the pandemic times. He discussed how to take the advantage of this time to rethink and reinvent the career. He also suggested students to enhance their employability skills by joining online courses and emphasised on taking “Opportunity in disaster (*Aapda mei Avsar*)”

He suggested the students to think another way like if there are shortages of jobs then they should start their own business and become the entrepreneur and create the jobs.

The lecture was informative, interactive and impactful. It helped the students to be motivated and work hard during this ongoing pandemic.
