

## The GIBS TALKS: SEASON 2

### Episode 3: Light in the Darkness: Let it Shine

Date : 27<sup>th</sup> September, 2020

The Institute organized **Episode 3** of “The GIBS TALKS Season 2” on 27th September, 2020. Under main theme of the series “**Post Pandemic Market Mandate**”, Episode 3 was organized on “**Light in the Darkness: Let it Shine**”. The session was carried by Mr. Daniel Jacob, Vice President-HR, EC Group International.

Mr. Jacob addressed participants with positive note that in situation of pandemic, we all can be small light to remove darkness. We should be clear on the things where we have control and where we do not have control. He suggested that we all should acquire new skills to further polish the things where we have control. One can clearly identify areas where he/she can be light.

He highlighted that choice is ours whether we want to be light or darkness. The episode 3 was well received by participants as there were approximately 1207 registrations. GIBS earnestly thank Mr. Jacob Daniel for accepting out the invitation and taking out precious time to address the participants
