

WORKSHOP ON

PLAYING LEADERSHIP ROLE: ISSUES AND CHALLENGES FACED BY FRESH PROFESSIONALS IN CORPORATE LIFE

14 MARCH 2018

Gitarattan International Business School organized workshop on “**Playing leadership role: Issues and Challenges faced by Fresh Professionals in Corporate Life**” on 14th March 2018 for MBA students. The session was delivered by **Ms. Anjali Dutta**, an exemplary Trainer and Motivational speaker with proven skills in designing & conducting customized training programs. The objective of the session was to build the Leadership skills among the students, to maximize their effectiveness and contribution to the organization.

The speaker commenced the session with emphasis on Personality Development of the students, wherein she emphasized on acquiring required traits to become a good leader. She explained that leadership is the action of leading people in an organization towards achieving goals. Leaders need to be equipped with the most relevant knowledge and skills.

The speaker conducted a **Parachute Activity** – which enabled the students to understand why safe handling of the team is important for the leader. She further explained that leadership is to give directions, instruct and to help the team or followers.

The speaker showed two video clippings regarding skills of empathy, passion, motivation, inspiration and initiation which are essential for the leader to perform and exhibit consistency and deliver in corporate world.

This workshop was exclusively focused on getting students ready for their ultimate career through strong interpersonal skills and innovations essential to distinguish between leader and follower. One should have an ability to coach the subordinate and build emotional intelligence.

The lecture was very informative, interactive and impactful.
