

## EMINENT LECTURE SERIES

# LECTURE ON LIVING WITH HUMAN VALUES AND ETHICS: ISSUES & CHALLENGES

19<sup>th</sup> MARCH 2021

Gitarattan International Business School organized a lecture under Eminent Lecture Series on “Living with Human Values and Ethics: Issues and Challenges” on 19<sup>th</sup> March 2021. The Lecture was delivered by **Dr. (Mrs.) BALWINDER NONGRUM BEDI**.

The lecture was conducted for BBA 4<sup>th</sup> semester students on online platform Webinarjam. Dr. Bedi started the session by mentioning the ethical standards, character and personality of an individual. She explained that we all are same in many ways but on deep observation every human being are found to have different traits and habits.

She discussed about the necessity of Human values and ethics in life. She also gave emphasize on value based education in academic institutions. With the help of self exploration concept she made the student understand how they can find out their worth with the help of self investigation.

To sum up, it was a very productive, informative, enriching and interactive session for the students who got a good opportunity to learn and realize the importance of living with human values and ethics and how to handle themselves in different situation of life within the framework of values and ethics.
