

IIC SESSION ON PROTOTYPE VALIDATION 08th MAY 2021

Gitarattan International Business School organized IIC Session on “Prototype Validation” on 08th May 2021. The lecture was delivered by **Professor S. K. Palhan**.

The lecture was conducted for the students of Undergraduate and Postgraduate programmes on online platform webinar jam. Dr. Palhan began the session by listing the qualities of an entrepreneur.

He discussed about current situation which has been created by the pandemic and the challenges faced by the entrepreneurs due to this crisis. He urged the young minds to opt for entrepreneurship and try to find the creative solutions to the problems which the whole world is facing. He opined that the efforts to find creative solution will result in enhanced entrepreneurial skills.

The lecture proved to be informative and enriching wherein students got to learn about the various aspects of entrepreneurial development.
