

Personality Development Workshop ON “Team Building” 27th April 2021

Gitarattan International Business School organized a personality development workshop on the theme of ‘Team Building on 27th April, 2021. These days organizations require the employees who can work in a team. The teamwork required from an employee means that people should be willing to offer the benefit of their expertise in certain areas to other members of the group.

The resource person invited for the deliberation was Dr. Kalindi Bhatt a Certified Executive Coach, Certified MBTI Assessor, six seconds Emotional Intelligence, she is also associated with Lead Assessor-Quality systems, Six-sigma green Belt and a Certified Hospitality Educator. She holds Ph.D. in Human Resource Management, Diploma in Training and Development, Post-graduation in Business Management and Post graduate diploma in personal counseling.

Dr. Bhatt discussed in detail the importance of Team Building in contemporary organizations. She spoke about emotional intelligence and interpersonal skills and made students aware of the nuances of effective team work culture. Students asked various questions and Dr. Bhatt answered all the questions in a very effective manner. The session was thoroughly enjoyed by the participants, students, and faculty members. At last Dr. Sheetal, the programme coordinator gave vote of thanks and concluded the session.
