

CREATE SOME GREEN

BY NSS CLUB

26th May 2021

Gitarattan International Business School (GIBS) organized an event to plant saplings under its NSS club. "Embrace a new beginning" was the prime motto of the event. GIBS firmly emphasizes on climate activism and initiatives like 'Create Some Green' as the crucial for bringing positive change to ensure our planet's survival.

With this thought NSS Unit at GIBS initiated this Campaign. Students of the Institute were encouraged to plant seeds that grow into plants or trees in a bid to make our mother earth 'green' again. During the time of pandemic this event was attribute to Mother Earth.

The Campaign was clubbed with Collage Making Competition whereby students were supposed to plant the seeds, monitor the growth of the plant and click pictures at each stage of growth to created beautiful collages with slogans. Payal Gola of BBA LLB Semester second was declared the winner. To conclude, this was an attempt to re-generate our planet and make it prosperous for generations to live in.
