

A WEB TALK

“UNLEASH HUMAN VALUES”

3RD SEPTEMBER 2021

National Service Scheme Unit of Gitarattan International Business School organized a Web Talk titled “Unleash Human Values” on 3rd September 2021. The web talk was organized to enable the audience to inculcate the values and ethical behavior in their lives. The talk informed the audience about the moral ideals, character, policies, and relationships of people and corporations involved in technological activities.

The Talk was well presented by **Dr. Ruby Bakshi Khurdi**, an award-winning *Innovative Educationist*, *TEDx Speaker*, *Author & Trainer*.

She conducted the session efficiently by mentioning various forms of truth, values, non-violence, peace, and positive attitude. She also explained how these various forms of ethical values help an individual to handle failures.

The speaker also elucidated the significance of honesty, accuracy, courage, integrity, fairness, and self-awareness. She also remarked that thinking out of the box does not always lead to success therefore one should be prepared to overcome emotions of frustrations and disappointments due to failure.

The techniques to adopt the right conduct through hygiene, responsibility, duty, self-reliance, punctuality, cooperation, tidy appearance, and a good diet were also a part of the talk.

In the concluding session the speaker guided the audience on how to develop patience, contentment, discipline, self-esteem, happiness, attention, and calmness to harness peace.

The talk ended with a question-answer session to resolve the queries of the audience.
