

# A PERSONALITY DEVELOPMENT WORKSHOP

## ALTERNATIVE DISPUTE RESOLUTION

21<sup>st</sup> October 2021

Center for Legal Studies, Gitarattan International Business School organized PD Workshop on 21 October 2021. The guest speaker for the session was Mr. P. Bayola Kiran, Assistant Professor Damodaran Sanjivayya National Law University. The theme of the event was “Alternative Dispute Resolution ”

The workshop aimed to familiarize the students with Alternative Dispute Resolution Mechanisms. The technique of Alternative Dispute Resolution is a step towards creating a fair and feasible environment for growth of alternatives other than traditional adjudication mechanisms. The courts are inaccessible to many people owing to numerous factors, like social and political backwardness, poverty, procedural formalities and the inordinate delay.

The speaker started the session by discussing the facets of decision of seat and venue in Arbitration. He took up instances from classroom, cricket fields and other events where it is imperative to decide upon an independent party for adjudication of disputes, if any. He held a comprehensive discussion by listing numerous cases regarding Arbitration where the decision related to seat and venue was evaluated. He remarked that Institutional Arbitration is emerging as a faster method of dispute resolution. In the concluding section Mr. P. Bayola analyzed whether Arbitration has actually solved the problem of inordinate delay, lacunas and most importantly, the higher cost of ordinary litigation.
