

INTRA COLLEGE PRE-MOOT COMPETITION

3rd FEBRUARY, 2022

Centre for Legal Studies, Gitarattan International Business School organized Intra College Pre Moot Competition on 03rd February 2022. The competition was organized for BBALLB & BALLB students. The intra college virtual pre moot competition was organized to give law students an exposure to contemporary socio-eco-legal setting. The competition helps student to cultivate skills like legal writing, debate and rhetoric in a mock courtroom setting.

Through this Pre-Moot Competition the Courtroom Society seeks to provide students with a platform to research cases in depth, form arguments, draft pleadings and present it before a mock courtroom setting. While presenting the case students learn about different persuasive technique and reasoning capabilities. The Pre-moot was on the same problem as the main moot for 4th NMC 2022

The session started with an introduction to the event by the anchor and briefing of the procedure to all the participants. The competition was in hybrid mode, with the offline rounds being held in the Moot Court room of CLS GIBS and the online round on Google Meet. A panel of two judges Dr. B.K. Yadav and Ms. Manika Gandhi listened to the teams and gave them valuable insights on presentation, research and memorial drafting. After two hours of mooting by the students, the Pre moot came to an end. The students' presentation and mooting abilities were evaluated. The researchers were marked on the basis of their knowledge and drafting skills. Results were declared on 3 February; the students were shortlisted for the final round held on 7th February, 2022. After the final round, results were conveyed to the students via an official mail.

The winners of the Intra Moot Competition were Suhani, Vanshika and Ashish from BBALLB first semester.
