

WEBINAR: INSIGHT OF BUDGET 2022

4th FEBRUARY 2022

Gitarattan International Business School organized a webinar on “Insight of Budget 2022” for Management and Law students on 04 February 2022. The speakers for the webinar were Prof.(Dr.) A.S. Ram Narayanan and Prof.(Dr.) Vikas Gupta, Gitarattan International Business School.

India has grand ambition of being a global economic powerhouse by its 100th year of independence in 2047. The Union Budget 2022-2023 presents a trajectory for the Indian Economy for the next twenty five years. The budget focuses on four key pillars of development: Inclusive Development, Productivity Enhancement, Energy Transition and Climate Action.

The speakers remarked that the government is oriented towards reform, employment and growth. The budget has attempted to provide financial support to common man, industries and businesses. It also focuses on transparent accountability and digital platforms. Many changes have been incorporated in the Budget 2022 to bring about digital transformation in Indian Economy. The speakers opined that India is in a strong position to withstand future challenges as Indian government is looking forward to boost public investment and modernize the infrastructure.
