

# PLAYING LEADERSHIP ROLE- ISSUES AND CHALLENGES FACED BY FRESH PROFESSIONALS IN CORPORATE LIFE

15<sup>th</sup> MARCH, 2022

Gitarattan International Business School organized a Personality Development workshop on 'Playing Leadership Role: Issues and Challenges faced by Fresh Professionals in Corporate Life'.

The workshop was conducted on 15 March, 2022 for the final year students (MBA and MBA-IB) of Management Programme. The speaker was Ms. Latika Tandon, Leadership Coach, Strategist - Consumer Solutions and Certified Corporate Director.

Having witnessed the three waves of the pandemic the importance of pressure handling ability has dawned upon the world. A great leader never gives up in the face of adversities. Leadership is the most sought after skill in the corporate world today. The resource person began the discussion with the definition of Leadership. She then elaborated on the issues faced by fresh professionals in leadership position. One of the challenges of leadership is the diversity accommodation. According to Ms. Latika an exemplary leader always makes best use of diverse pool of skills within a team. The leader should keep in mind the interests of all the members of the team.

The resource person also opined that Leadership as a skill is an umbrella term for various skills which include conflict handling, motivation, enthusiasm, optimism and persistence. The transition from being a student to a professional is often accompanied by many challenges. These challenges bring along the opportunity to develop above mentioned leadership skills.

In the concluding remarks Ms. Latika motivated the students to aim for higher purpose in life and develop the zeal to achieve that purpose. The illuminating workshop came to an end with a vote of thanks.
