

NSS ACTIVITY
BOOK DONATION DRIVE
16 APRIL, 2022

The NSS unit of Gitarattan International Business School organized a Book Donation Drive at Bhairo Marg, Pragati Maidan. Book Donation was an initiative by the NSS unit to help educate the needy and poor children. Education is the route out of poverty for the underprivileged children. NSS unit tried to help them in their endeavor to get educated by providing books to them.

The student volunteers of NSS visited the slum school where they were greeted by the children with a welcome song. A small interaction took place between the volunteers and the children wherein the children gave their introduction and told about their hobbies and future goals. After that the student volunteers donated books to around sixty students of the slum school. The school visit was followed by a visit to different areas of the slum. The two teams of student volunteers went to different areas of the slum and donated books to children from classes 1st to 6th. Words cannot express the beautiful smile of innocent faces. They were happy to receive new books.

After the donation drive, the children presented a dance performance. They also gifted handmade Thank You cards to the volunteers. It was a heartwarming and enriching experience for the NSS student volunteers.
