6th MAY, 2022

A visit to the **District Courts, Saket** was organized by Centre for Legal Studies, Gitarattan International Business School for the students of BA.LLB IV. They were accompanied by Ms. Sakshi Gupta, Assistant Professor. Through the visit students got a glimpse of Court proceedings.

The students also visited **Delhi State Legal Services Authority, South District**. This visit helped the students to understand the role of the Court in dispensing justice, the role of prosecutor and the procedure followed by the Court. Exposures to all the above processes made student aware of the importance of co-ordination among the four pillars of the justice system in India.

The way judges, prosecutors and the defense lawyer handle the case and the relationship between the prosecutor and the police was made tangible to the students by the visit. The visit to the District Courts bridged the gap between theory and practice.

The students appreciated the experience as it helped them to develop practical legal perspectives.
