

INDUSTRIAL VISIT
“DELHI HIGH COURT”
9th MAY, 2022

Gitarattan International Business School organized an Industrial visit to the High Court on 9th May 2022. The Visit was organized for BALLB second semester students to make them understand the Practical Aspect of the law. The main purpose of the visit was to aid the theoretical knowledge gained by the students with the insightful experience of how the law works in practice.

In this visit, Students were taken to the High Court where they were sent to the separate courts room to watch the ongoing proceedings of the court. During our visit the maximum numbers of cases were related to the IPR matters. In the court number 47 the students were able to witness a judge dismissing an application of objection on Trademark examination. The court said that the application is frivolous and is meant to waste the time of the court therefore, the court rejected the application.

Along with that, the students also learned how important it is to stay disciplined in the court and how the legal profession is all about work ethics and maintaining the decorum of the court.
