

NSS Event- Dogathon

22nd OCTOBER 2021

All sentient beings need some love and attention. To foster the value of kindness NSS Unit of GIBS decided to organize 'Dogathon' on 22nd October 2021 in collaboration with Sanjay Gandhi Animal Care Centre, India's oldest and Asia's largest all-animal shelter.

Initially an interactive session was held with the NSS Volunteers inside the shelter to acquaint them with the animals. Their grief-stricken stories motivated the volunteers to work for the welfare of animals. The volunteers took dogs for a fun walk in the shelter area. Every volunteer donated food for animals, household items for the shelter workers and adopted a pup from the shelter. The foundation expressed gratitude for the donations. The volunteers had a rewarding experience at SGACC.
