

WINTER CLOTHES DONATION DRIVE

14th JANUARY 2023

There are hundreds of homeless people in Delhi who live under flyovers, on footpaths, bus stops etc and spend harsh winters on the streets without even basic clothing. With every drop in temperature, it's a fight for survival for them. The rise in air pollution levels have made them even more vulnerable. But at the same time it has given us an opportunity to serve humanity by donating winter clothes to the needy. With that aim, Winter Clothes Donation Drive was organized by GIBS NSS Unit from 23rd December 2022 till 14th January 2023. The distribution of winter clothes was conducted on the pious occasion of Makar Sakranti on 14th January 2023.

Cartons labelled 'Winter clothes Donation' were placed at the Canteen area in the college premises where students, faculty and staff donated winter clothes, blankets, shoes etc. The donation boxes were opened on 14th January 2023 and distribution was carried out on the same day. These items were collected in large quantities and distributed to the homeless children, adults and families living under the flyovers, on footpaths etc. by the volunteers of NSS Unit on the pious occasion of Makar Sakranti.
