

IIC- “Process of Innovation Development of Technical Readiness Levels & Commercial of Lab Technology Transformation”

On
5th April, 2023

The Institute Innovation Council of Gitarattan international Business School organized a Session on “Process of Innovation Development of Technical Readiness Levels & Commercial of Lab Technology Transformation” on 05th April 2023. The Ministry of education, Govt. of India has established an “Innovation cell”, with the purpose of systematically fostering the culture of innovation in all higher education institutions. Under the guidance of MOE, the innovation cell at GIBS aims to foster the culture of innovation and entrepreneurship. With a view to enhance the awareness and skills of the students GIBS organized the session. The objective of this session was to make students familiar with the concept of Process of Innovation Development of Technical Readiness Levels & Commercial of Lab Technology Transformation. The session was conducted by Dr. Amit Prakash Singh, Professor, University School of Information, Communication and Technology, GGS IP University. The session began by Presenting a Sapling to our Guest Speaker from Program Coordinator Dr. Sheetal Chadda.

In his session, Dr. Amit Prakash Singh explained the basic concept of Technical Readiness Levels. Later, he emphasized how TRLs can help students to develop entrepreneurial skills by identifying technologies that are at lower TRLs. During the session, he gave a gist of nine levels of technology readiness levels where he mentioned that the first three are

applicable to research, the next three to development and the last three belong to deployment. Overall, the session was knowledgeable.

Strength of 91 students from BBA (4thSemester) attended the session. “Process of Innovation Development of Technical Readiness Levels & Commercial of Lab Technology Transformation” was concluded by presenting the Memento and Vote of Thanks by Ms. Tinu Anand.

Prepared by: Dr. Tinu Anand, Assistant Professor, giBS
