

IIPC IBM-Skill Build Orientation Session

On

14th Oct- 15th Oct` 2022

Gitarattan International Business School, organized an Orientation Session under IBM Skill Build Program with Edunet followed by a Job Readiness Workshop. The session was conducted on 14th Oct'22 and 15th Oct' 22.

150 students participated in the workshops and were oriented about features and benefits of IBM Skill Build platform while learning how to complete various technical and professional courses available and earning a certificate! The Job readiness workshop contributed towards improving their soft skill in order to up skill them for potential. Experts discussed about the skills the candidates must hold to get a perfect job and the skills which the industry is demanding i.e. short courses on communication & job readiness was also completed. The certificates were given to the students.
