

IIC Workshop on “VIKSIT BHARAT@2047 : VOICE OF YOUTH” 11TH DECEMBER, 2023

On December 11, 2023, The Prime Minister, Shri Narendra Modi launched 'Viksit Bharat @2047: Voice of Youth' via video conferencing. During the program, Prime Minister Modi addressed the Vice Chancellors of Universities, Heads of Institutes and faculty members in workshops organized at Raj Bhawans across the country to mark the beginning of this initiative.

- The Prime Minister began his address by extending a huge thank you to all the Governors for organizing workshop for the development of Viksit Bharat and said that today is a special occasion regarding this resolution. He lauded their contributions of bringing together all the stakeholders who hold the responsibility of guiding the youth of the nation in accomplishing the goal of Viksit Bharat 2047. Prime Minister Modi highlighted the role of educational institutions in the personality development of an individual and said that a nation becomes developed only with the development of its people. Underlining the importance of personality development in the present era, the Prime Minister extended his wishes for the success of the Voice of Youth workshop.
- The Prime Minister said that in the life of any nation, history provides a time when the nation can make exponential strides in its development journey. For India, "This Amrit Kaal is ongoing" and "this is the period in the history of India when the country is going to take a quantum leap". He gave examples of many nearby countries that took such a quantum jump in a set timeframe and turned into developed nations. "For India, this is the time, right time (Yahi Samay hai, Sahi Samay hai)", he said, adding that each and every moment of this Amrit Kaal should be utilized.
- Today, every institution and every individual should move with a resolution that every effort and act will be for Viksit Bharat. The aim of your goals, your resolutions should be only one – Developed India". The Prime Minister emphasized that teachers and universities ponder about finding ways to make India a developed country at a faster pace and also identify specific sectors for improvement towards becoming a developed nation.
- Prime Minister Modi underlined the need to channel the energy of the students and the youth of every university towards achieving the common goal of 'Viksit Bharat'. Noting the diversity of ideas, the Prime Minister stressed linking all the streams towards building a developed India. Shri Modi urged everyone to go beyond their limits to contribute to the vision of Viksit Bharat@2047.
- He suggested running special campaigns in every college and university in the country to connect more and more youth with this campaign. The Prime Minister mentioned the launch of Ideas Portal related to Viksit Bharat and informed that suggestions can be given on 5 different themes. "A prize has also been arranged for the best 10 suggestions. You can also give your suggestions on MyGov", he added. "Idea starts with an 'I' just like India begins with an 'I'", the Prime Minister remarked as he underlined that the idea of development can only begin with the 'I' of the self.
- When citizens, in whatever role, start doing their duty, the country moves forward", the Prime Minister said. He gave examples of the preservation of natural resources through water conservation, saving electricity, using fewer chemicals in farming and using public transport. He asked the educationist fraternity to suggest ways of giving new energy to Swachhta

Abhiyan, combating lifestyle issues and exploration of the world beyond mobile phones by the youth.

- Noting that the rapidly increasing population of the country is empowered by youth, Shri Modi informed that India is going to be the leader in terms of the working-age population for the coming 25-30 years and the world recognizes this. “Youth power is both the agent of change and also the beneficiaries of change”, PM Modi said.
- He emphasized that the next 25 years are going to be decisive for the careers of the youth in colleges and universities of today. Noting that it is the youth who are going to create new families and a new society in the future, the Prime Minister said that it is they who have the right to decide how a developed India should be. With this spirit, the Prime Minister added, the government wants to connect every youth of the country with the action plan of a developed India. The Prime Minister stressed moulding the voice of the country's youth into the policy strategy for building a developed India and highlighted the role of educational institutions that maintain maximum contact with the youth.
