

Management Development Programme (Finance) “Crypto Currency as an Investment: Risky or Not” 23rd December, 2023

Centre for Management Studies (CMS) of Gitarattan International Business School organized Management Development Programme in Finance on “**Crypto Currency as an Investment: Risky or Not**” on **23rd December 2023**. The program was designed to provide participants with a

comprehensive understanding of block chain technology, the underlying technology of Crypto Currencies, to explain the key concepts, features and functionalities of major crypto currencies such as Bitcoin & Ethereum, risk associated with crypto currency investment and to provide tools and frameworks for assessing and analyzing the risks associated with different crypto currencies. The resource person for the program was Mr. Varun Gulati, President, Banking Quest.

Twenty-four managers/students participated in the MDP. The session started with the lighting of lamp and welcome speech by Prof. (Dr.) Vikas Nath, Director, GIBS and then proceeded further with the session taken by Eminent Speaker Mr. Varun Gulati (President, Banking Quest). The session started with the introductory knowledge by highlighting the inherent volatility of crypto currency markets. He explained that price fluctuations can be substantial in short periods, posing risks to investors. The speaker discussed the term blockchain on which the crypto currency markets actually operate. He also differentiated centralized, distributed and decentralized forms of markets. Further he explained Consensus Mechanism, layer 1 and 2 types of crypto currencies and how to buy, sell and trade in crypto currencies. Mr. Varun also talked about deflation risk when scarcity backs, gapping or slippage and spreads in cryptocurrency.

In addition, the attendees yielded enhanced understanding about the dynamic and uncertain nature of cryptocurrency markets. The MDP may lead to insights into optimal strategies, risk management and the impact of market volatility on investment decisions in the cryptocurrency space. The session concluded with a quiz. Vote of thanks was given by Prof. (Dr.) A.S. Ramnarayanan by presenting memento to the speakers as the token of appreciation.
