

WASTE SEGREGATION”

AN INITIATIVE UNDER NSS SPECIAL RESIDENTIAL CAMP

13 December 2023 (WEDNESDAY)

NSS Unit of Gitarattan International Business School has launched an initiative “WASTE SEGREGATION” in collaboration with ‘Why Waste Wednesdays’. Under this event the first activity undertaken was to spread the awareness of segregation of the waste. The project is a progressive and noble initiative that aims to improve the waste segregation among the society. It marked the initial stride towards fostering a connection between humans and the environment, a crucial aspect for promoting ecological well-being. The initiative commenced from 10 am to 1 pm, with NSS volunteers organizing themselves into two teams of eight individuals each, overseen by six team leaders. Both the teams took the initiative to spread the awareness regarding waste segregation activities in slum area of Ekta Camp, Pitampura. The event not only left a lasting impression on the students but also contributed to raising awareness about the importance of waste segregation. The NSS unit's initiative at GIBS is set to create a meaningful impact on waste management practices, fostering a cleaner and more sustainable environment for both the local community and beyond.
