The objective of the campaign was to enhance electoral literacy among the residents, empowering them with knowledge about the democratic process, the importance of voting, and the responsibilities of citizens in a democratic society. The NSS unit was divided into 3 groups who interacted with approx. 300+ people educating the residents of Ekta Camp about voting and their voting rights.

Survey of people who were above 18 years age was also conducted and data was collected about adults who didn't have a voter i-card. NSS volunteers conducted a door-to-door campaign to reach every household.
