

GENDER SENSITIZATION WORKSHOP ON “TALKING GENDER, EXPLORING IDENTITIES” 30th APRIL 2024 (TUESDAY)

On April 30th, 2024, the NSS Unit of Gitarattan International Business School organized a significant workshop on Gender Sensitization titled "Talking Gender, Exploring Identities."The

resource person for the workshop was Dr. Vinita Chandra. Associate Professor, Ramjas College, Delhi University. Dr. Chandra delved into critical discussions surrounding gender dynamics and societal norms. Dr. Chandra, renowned for her expertise in addressing sexual harassment and advocating for gender equality, brought invaluable insights to the forefront.

The workshop emphasized the paramount importance of gender sensitization in confronting the entrenched effects of patriarchy on societal structures. Patriarchy's stronghold, marked by male dominance and control, has perpetuated pervasive gender inequalities through rigid roles, unequal power dynamics, and systemic discrimination against marginalized genders. Gender sensitization emerged as a potent tool in challenging these norms and fostering empathy and understanding among individuals.

Throughout the event, participants were urged to recognize and confront the adverse impacts of patriarchy on diverse genders. By challenging stereotypes and advocating for equal opportunities and rights, gender sensitization endeavors to dismantle systemic barriers and empower individuals to speak out against patriarchal practices.

The NSS volunteers, through meticulous planning and execution, ensured the smooth functioning of the workshop from 1 pm to 2:30 pm. Their dedication in managing the attendees and maintaining discipline contributed significantly to the success of the event.

Overall, the initiative undertaken by the NSS unit of GIBS promises to have a profound impact, particularly in empowering female students and equipping them with the tools to navigate and protect themselves in a patriarchal society. By fostering awareness and advocating for systemic change, the workshop serves as a crucial step towards creating a more equitable and just society for all genders.
