

VIGILANCE AWARENESS WEEK

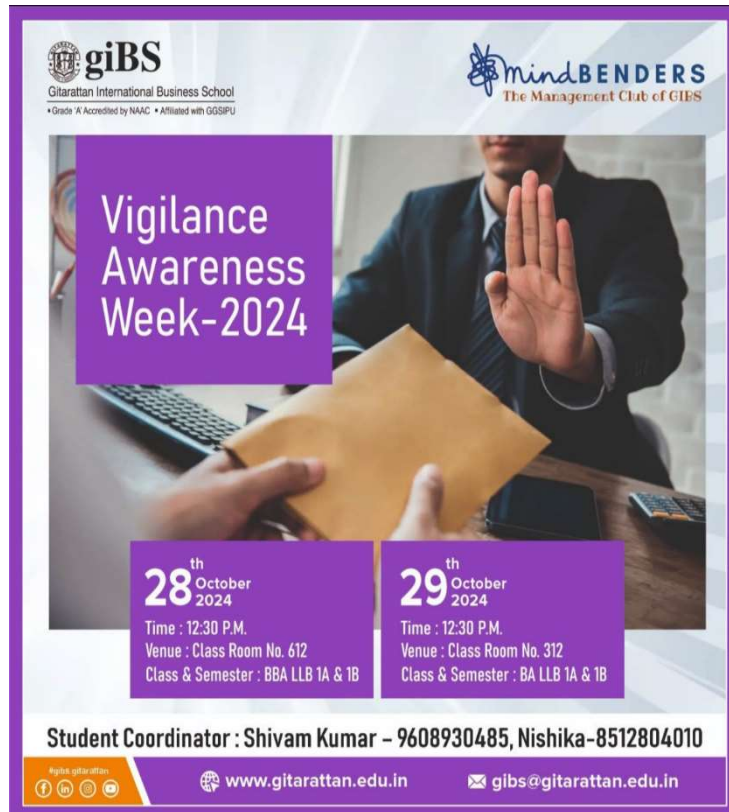

28TH -29TH OCTOBER 2024

The Mindbenders Club of Gitarattan International Business School (giBS) successfully organized this year's Vigilance Awareness Week on the theme "Culture of Integrity for Nation's Prosperity," held on the 28th and 29th of October 2024. This event, exclusively managed by Mindbenders, offered first-year BBA-LLB and BA-LLB students a transformative experience focused on promoting transparency, accountability, and ethical values.

The week was marked by engaging activities and thought-provoking challenges designed to deepen students' understanding of integrity and their role in combating corruption. Highlights included the Vigilance Integrity Quiz, where participants tested their knowledge of corruption issues, explored the impact of integrity on society, and learned about the ways individuals can contribute to a corruption-free nation. In addition, the Ethical Decision-Making Challenge encouraged students to reflect on complex moral scenarios and make choices aligned with ethical principles.

An E-Pledge was also conducted, allowing participants to commit themselves to uphold integrity and actively contribute to building a prosperous, corruption-free nation. The enthusiasm and dedication displayed by students underscored the success of the Vigilance Awareness Week, with each event reinforcing the importance of ethics and integrity as pillars for personal and national growth.
