FACULTY DEVELOPMENT PROGRAMME on
“INNOVATIVE TEACHING TECHNIQUES AND LEGAL RESEARCH”
22nd - 29th JULY 2024

CLS-GIBS conducted a 7-day Faculty Development Programme (FDP) on “Innovative Teaching Techniques and Legal Research”. This Program mainly focused on Interactive Learning Tools, Problem-Based Learning, Flipped Classroom and Collaborative Learning. By integrating these innovative teaching techniques, legal research education can become more dynamic, practical, and effective.

Day 1: 22nd July 2024

Session 1 - “Dispute Resolution System: Development of ADR and Recent Trends”

Shri Laxmi Kant Gaur, Former Judge defined ADR, its importance and its background that’s rooted in various cultures but gained modern prominence in the 20th century. He discussed types of ADR: Negotiation which means direct discussions between parties to reach a settlement; Mediation that involves a neutral third party facilitating a mutually agreeable resolution; thirdly Arbitration where an arbitrator makes a decision after hearing both sides and fourthly Conciliation with the conciliator playing a more active role in suggesting solutions.

The speaker also shared knowledge about the recent trends in ADR i.e.

1. Online Dispute Resolution (ODR): Use of digital platforms to conduct ADR, accelerated by the COVID-19 pandemic.
2. Sector-Specific ADR: Increased use in family law, commercial disputes, and international trade.
3. Legislative Developments: New laws and amendments promoting ADR practices.
4. Globalization: Growing adoption of ADR in international disputes, supported by bodies like the ICC and UNCITRAL.

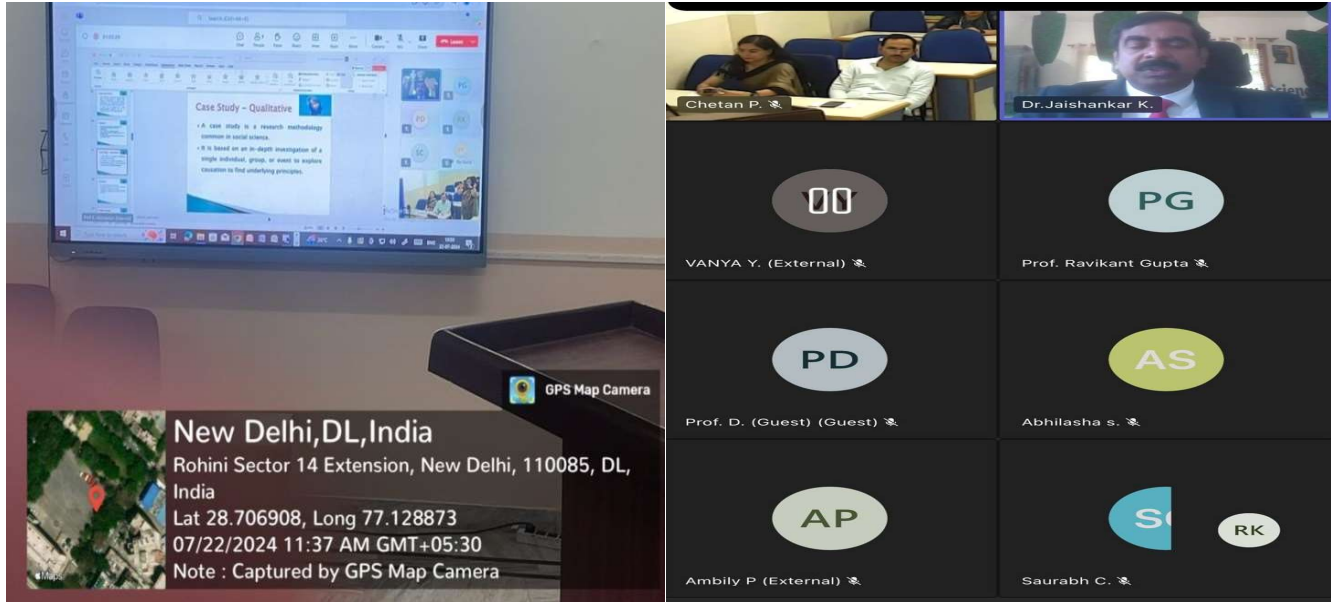

At last speaker concluded in his words, “ADR continues to evolve, driven by the need for more efficient, cost-effective, and amicable dispute resolution mechanisms. The integration of technology, globalization, and increasing institutional support are shaping the future of ADR, making it a preferred choice for many individuals and businesses worldwide”.

Session 2 - “Exploring Legal Research Methods and Importance of Interdisciplinary Research”

Prof. (Dr.) K. Jaishankar, Founder / Principal Director and Professor, IJPS, Bengaluru, Karnataka had a great discussion with the faculty members explaining about the Legal Research Methods which included Doctrinal Research that means to analyzes legal texts such as statutes, case law, and legal principles; Empirical Research that involves collecting and analyzing data through surveys, interviews, and case studies; Comparative Research that compares laws across different jurisdictions or legal systems and lastly, Historical Research, Socio-legal Research and Critical Legal Studies.

He concluded in his words that “Legal research methods are diverse, each offering unique insights and contributions to the understanding of law. Interdisciplinary research enhances these methods by integrating knowledge from various fields, leading to more comprehensive and relevant legal studies. Emphasizing interdisciplinary approaches in legal research will continue to enrich the legal field, fostering innovation and better addressing the complexities of modern society”.

Day 2: 23rd July 2024

Session 1 - “Innovative Research and Challenges of Artificial Intelligence (AI)”

Dr. Neelam Seam, Associate Professor, GIBS presented on Innovative Research in AI in Machine Learning (ML) and Deep Learning (DL). She discussed its subfields focusing on the development of algorithms that allow computers to learn from and make predictions based on data, which can implement on an image and speech recognition, natural language processing, predictive analytics and autonomous systems. She focused on the Natural Language Processing (NLP), which Enables machines to understand, interpret, and generate human language, Chatbots, language translation, sentiment analysis, text summarization. She explained the usages i.e. autonomous vehicles, facial recognition, medical image analysis, surveillance systems and in robotics where she explained about the integration of AI with robotics to create intelligent machines capable of performing complex tasks.

She summarized in words that “AI research is driving significant innovations across various fields, leading to transformative applications and capabilities. However, the challenges associated with AI, including ethical concerns, privacy issues, security risks, economic impact, legal and regulatory challenges, and technological limitations, must be addressed to ensure the responsible and beneficial development of AI technologies”.

Session 2 - “Legal Research Design”

The next session was taken by Prof. (Dr.) Ravi Kant Gupta, Professor, GIBS. He defined Legal research as systematic investigation of legal questions, analyzing laws, and understanding their application essentially for developing legal arguments, informing policy decisions, and advancing legal scholarship.

He provided an overview of the essential components and frameworks involved in designing legal research. He introduced legal research design, covering fundamental concepts such as research questions, hypotheses, theoretical frameworks, and research objectives. Participants learned about data collection techniques, sampling methods, and the ethical considerations involved in legal research. Prof. Gupta informed the participants that Legal Research Design is a detailed design that involves systematic planning and execution of research to answer specific legal questions. It encompasses various methodologies, each suited to different types of legal inquiries.

Day 3: 24th July 2024

Session 1& 2- “Data Analysis (Qualitative & Quantitative)”

Dr. Chetna Mahaur, Associate Professor, GIBS fore most explained the distinction between qualitative and quantitative data and outlined the steps involved in the data analysis process. She delved into quantitative data analysis, covering statistical methods and tools used to analyze numerical data. Dr Mahaur demonstrated the use of software such as SPSS, R, and Excel for conducting descriptive and inferential statistics. Key topics included hypothesis testing, regression analysis, and data visualization.

The second session focused on qualitative data analysis, exploring methods such as thematic analysis, content analysis, grounded theory, and narrative analysis. Participants learned how to collect and analyze non-numerical data, such as interviews, observations, and textual content. Practical exercises were conducted to demonstrate coding, categorization, and theme development.

Day 4:24th July 2024

Session 1 - “Integrating Practical Skills and Innovative Teaching Methods in Legal Education”

Advocate Bhmesh Verma, International Corporate Lawyer’s session aimed to equip students with the competencies required to excel in the legal profession by integrating practical skills and innovative teaching methods. He introduced participants to innovative teaching methods, such as problem-based learning (PBL), flipped classrooms, and experiential learning. He discussed how these methods can make legal education more engaging and effective.

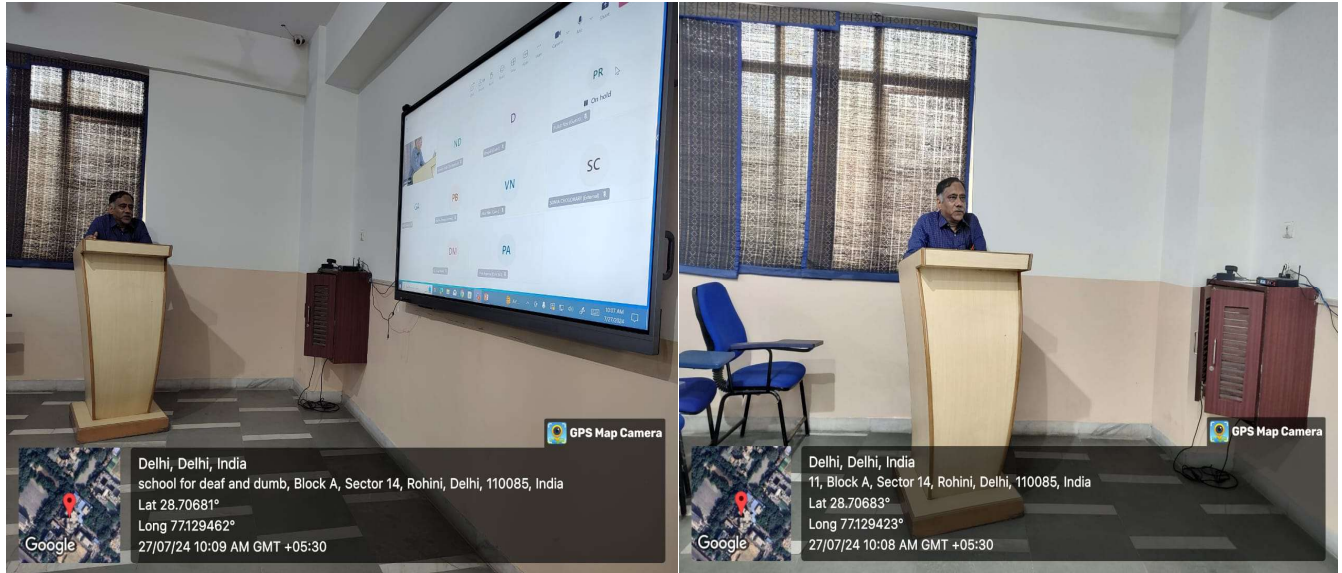

Innovative Teaching Methods like Law Clinics where students handle real cases under supervision secondly, Externships and Internships which includes practical work experiences in law firms, courts, and legal departments and thirdly, Simulations and Role-Playing which means mock trials, moot courts, and negotiation exercises were discussed.

Session 2 – “Bibliography & Citation – Using tools like Mendeley & Zotero”

The next session of FDP was taken by Prof. (Dr.) Abhijit Das, Professor, GIBS, Rohini. This session was mainly aimed to equip participants with the knowledge and skills to use reference management tools for organizing, citing, and sharing research. Prof Das told the importance of bibliographies and citations and why it is important to give credit to original authors and avoid plagiarism. He explained how It allows others to trace the origins of the information, follow up on your research and the knowledge of this domain area specially which contributes to the body of knowledge by connecting the work with existing research.

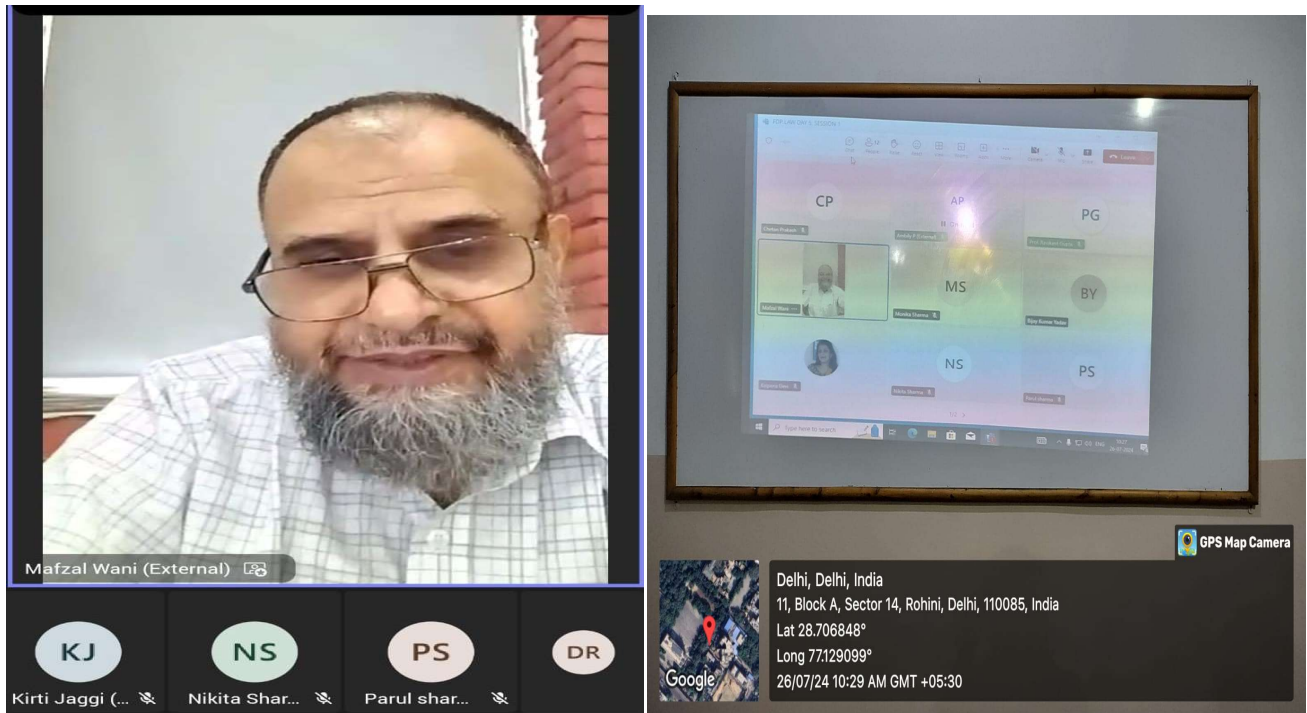

Prof Das gave an overview of both software, firstly Mendeley developed by Elsevier and Zotero is an open-source reference management tool developed by the Corporation for Digital Scholarship. Mendeley is a reference manager and academic social network. Features of Mendeley like collaborate the group to sharing; PDF annotation, Web importer & Syncing across devices were the points of discussion. Zotero key features Reference management, Web importer, PDF management, Thousands of citation styles & Cloud sync were also explained.

Day 5: 25th July 2024

Session 1 - “Case Law Methods of Teaching and Case-Based Research”

This online session was taken by Prof.(Dr) Afzal Wani, Pro Vice- Chancellor, IILM University on how law teaching involves using real court cases to illustrate and teach legal principles. Case Law Methods of teaching was given prime importance as students read and analyze judicial opinions to understand the application of law, that are beneficial for them. He also briefly discussed other teaching methods like Socratic Method where instructors ask probing questions about the case to stimulate critical thinking & discussion and Problem-Based Learning (PBL) where students are presented with legal problems derived from real cases and work in groups to resolve them.

Session 2 - “Writing and Publishing Legal Research Paper for High Impact Factor Journals”

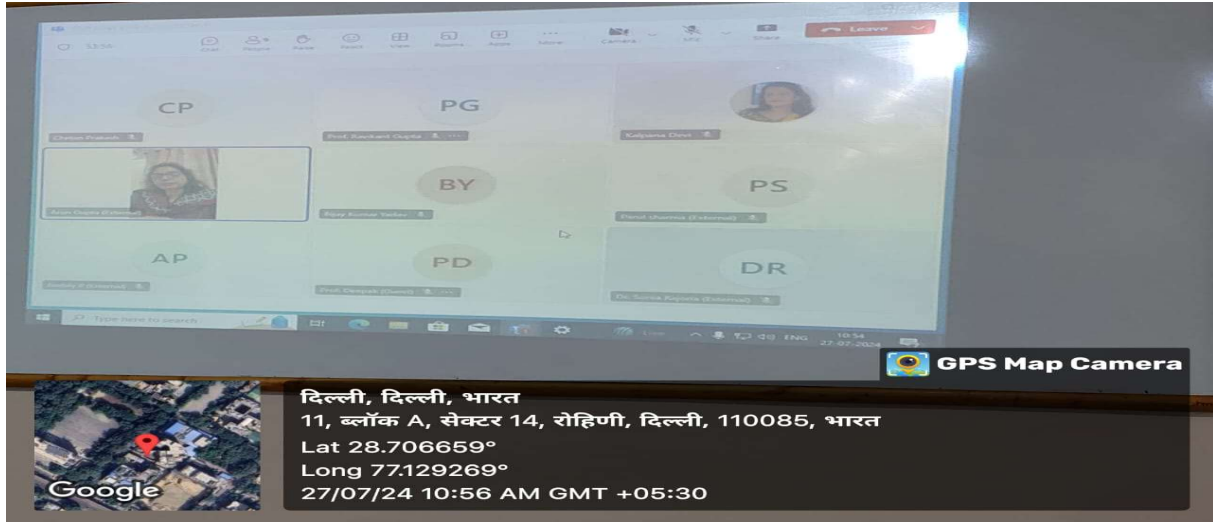

Dr. Nidhi Sharma, Associate Professor, GIBS highlighted the role of quality research in contributing to the legal field and the importance of adhering to ethical standards in scholarly work. She focused on the fundamentals of writing legal research papers. She discussed the critical components of a well-structured paper, including the introduction, literature review, methodology, analysis, and conclusion. Emphasis was placed on developing a clear research question, a strong thesis statement, and a coherent argument. Dr Sharma also provided insights into selecting appropriate journals for publication. Her presentation covered the importance of understanding a journal's scope, target audience, and impact factor. Finally, she addressed ethical issues in legal research, including plagiarism, data fabrication, and dual submission. She concluded that by following these steps and adhering to the journal's submission guidelines, you can enhance the likelihood of your paper being accepted and making a significant contribution to legal scholarship.

Day 6: 26th July 2024

Session 1 - “Legal Ethics and Compliance in Research”

Prof.(Dr.) Ritu Gupta, Professor, NLU, Delhi presented on day 6 in an online mode. She sensitized faculty members on the ethical and legal considerations integral to conducting responsible and compliant research. Key topics included the duty of honesty, the avoidance of harm, the protection of confidential information, and the necessity of informed consent. The speaker also discussed the relevance of professional codes of conduct and ethical guidelines established by legal associations and academic institutions. She informed the participants that research involving human subjects must be reviewed and approved by an Institutional Review Board (IRB) to ensure that ethical standards are met. She explained that researchers must disclose any financial or personal interests that could affect their research. The need to conduct regular reviews and audits to ensure ongoing compliance was also given importance.

Session 2 - “Using New Technologies for Teaching”

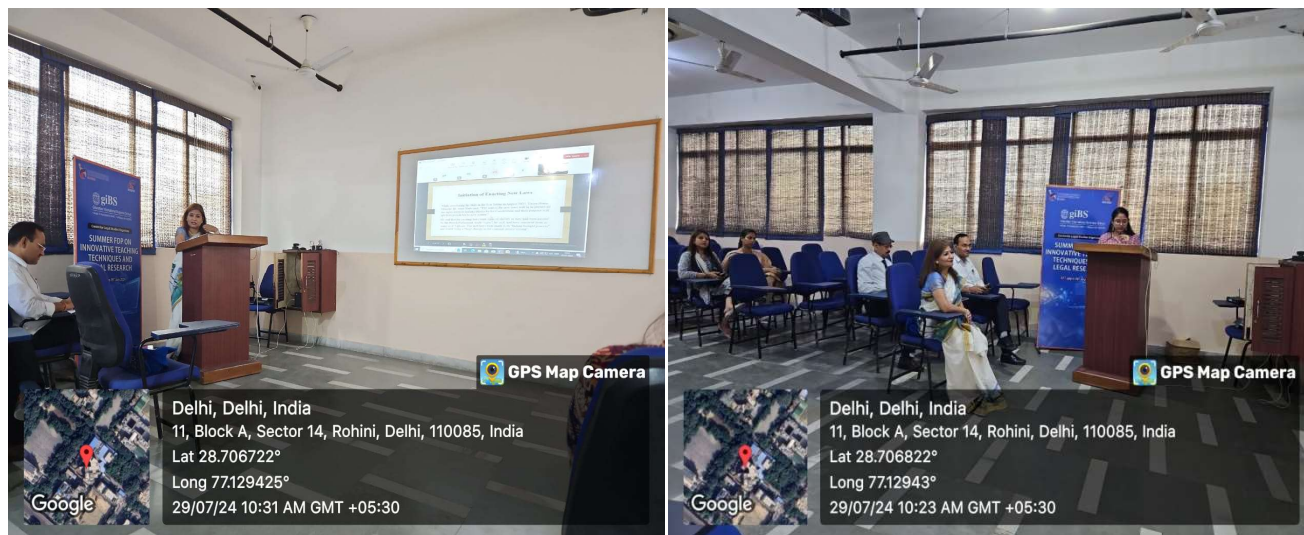

Prof (Dr). Urvesh Chaudhery, Professor, GIBS presented on Interactive Learning through Multimedia tools like videos and animations. Prof Chaudhery demonstrated how multimedia tools can be used to enhance the teaching and learning experience by making content more accessible, engaging, and interactive. She introduced tools such as videos, podcasts, interactive simulations, digital storytelling, and gamification platforms. The session emphasized the benefits of these tools, including the ability to cater to different learning styles and preferences. She encouraged educators to develop digital literacy skills essential for navigating modern educational technologies.

Day 7: 29th July 2024

Session 1 - “Examining the Impact of BNS, BNSS and BSA on Indian Criminal Law”

Prof.(Dr.) Alok Sharma , Professor, Faculty of Law, University of Delhi presented on the three new criminal laws Bharatiya Nyaya Sanhita (BNS), Bharatiya Nagarik Suraksha Sanhita (BNSS), and Bharatiya Sakshya Adhiniyam (BSA) that came into effect from 1st July 2024, replacing the colonial-era Indian Penal Code (IPC), Code of Criminal Procedure (CrPC) and Indian Evidence Act. She marked it as a transformation shift in India’s approach to substantive criminal law, aiming to simplify and update the legal provisions to reflect current societal values and technological advancements. She discussed the historical context and need for revising the IPC, CrPC, and Evidence Act. She highlighted how the new laws aim to address contemporary issues and align with international standards. The session focused on the practical implications of the BNSS, particularly concerning procedural reforms.

Session 2 - “Review of Literature and Sources of Data Collection”

Prof (Dr). Ravikant Gupta, Professor, GIBS took the last session of the FDP where he explained about the two types of sources of data collection: Primary Data Sources & Secondary Data Sources. Methods of primary data collection including Surveys/Questionnaires, Interviews, Focus Groups, Observations & Case Studies were discussed. Secondary data sources including Academic Journals and Books, Government Reports and Publications, Organizational Records and Historical Records and Archives

were briefed about. He concluded that the literature review should highlight the importance of the data you intend to collect and how it will contribute to filling gaps in existing research.

MEMORANDUM OF UNDERSTANDING

Between

Gitarattan International Business School (GIBS), INDIA

And

SR University, Warangal

PREAMBLE

This MEMORANDUM OF UNDERSTANDING is entered into by and between the Gitarattan International Business School (GIBS), PSP 2A & 2B, Madhuban Chowk, Rohini, Delhi, India, affiliated to Guru Gobind Singh Indraprastha University, New DELHI, India, and SR University, Ananthasagar, Hasanparthy, Hanumakonda 506371, Telangana, India and are referred to collectively as "Parties" or individually as "Party". The parties agree to engage in cooperative programmes of education and research and to promote exchange among their faculty and students, in order to enhance the learning experience, and international understanding, on the basis of equality, mutual benefit and reciprocity; and thereof, the parties wish to define the broad terms and conditions under which they will engage in cooperative programmes.

WHEREAS

- A. The parties are interested in working together in connection with the purpose which is described in this memorandum.
- B. This memorandum sets out the initial relationship between the parties as well as the respective rights and responsibilities of each party.
- C. Each party respectively is expected to act in good faith in accordance with this memorandum.

1. Purpose/Objectives

The goal of this cooperation is to foster academic collaboration, provide opportunities for global experience and to facilitate advancement of knowledge on the basis of reciprocity, mutual benefits and frequent interactions. The parties agree to explore the possibilities of engaging in the following areas of collaboration

- (a) Exchange of faculty for purposes of education, research, training, and consultancy.
- (b) Exchange of students for purposes of education, research, internship, and training.
- (c) Joint organization of seminars, conferences, workshops and short-term continuing education programmes on topics of mutual interest.

- (d) Exchange of information on research, teaching, learning materials and other literature relevant to the parties.

2. Provisions for collaboration

2.1 Faculty-related collaboration

Both the parties to the MoU undertake to promote faculty-related collaboration for academic purposes.

- (a) There may be mobility of the faculty members from one party to the other on the terms and conditions agreeable to both parties.
- (b) The faculty under mobility may be engaged in teaching programmes, participate in seminars, participate in executive & joint programmes, carry out research work to promote academic interests of both the institutions during the exchange duration.

NATIONAL FACULTY DEVELOPMENT PROGRAMME (FDP) ON NAVIGATING THE RESEARCH LANDSCAPE: ESSENTIAL STEPS FOR RESEARCHERS

27TH & 28TH MAY 2024

Gitarattan International Business School, in collaboration with SR University, Warangal, successfully organized a two-day National Faculty Development Programme (FDP) titled "Navigating the Research Landscape: Essential Steps for Researchers" on 27th and 28th May 2024. The FDP aimed to equip faculty members from both institutions with essential skills and knowledge necessary for conducting impactful research in the modern academic landscape.

Day 1: Exploring the Use of AI Tools for Research

Session 1: Introduction to Research Methodologies and Ethics

Prof Kanaka Balasubramanian from GIBS initiated the programme by outlining various research methodologies and emphasizing ethical considerations in research.

Session 2: AI Tools in Research

Prof Abhijit Das from GIBS delivered an insightful session on leveraging AI tools in research. He demonstrated practical applications and discussed how AI can enhance research efficiency and accuracy.

Session 3: Hands-on Workshop on AI Tools

Following the theoretical session, participants engaged in a hands-on workshop where they learned to use AI tools practically. This session was interactive, allowing participants to ask questions and clarify doubts.

Day 2: Data Analysis using Excel Advanced Spreadsheet Modelling Predictive Analysis: Correlation and Linear Regression

Session 4: Excel for Predictive Analysis in Research

Prof Kanaka Balasubramanian conducted a comprehensive session on utilizing Excel for predictive analysis in research. Participants learned essential Excel functions and techniques specifically useful for researchers.

Session 5: Practical Exercise: Applying Excel in Research

This session provided participants with the opportunity to apply their learning from the previous session. They worked on sample datasets to perform predictive analysis tasks under the guidance of Prof Kanaka.

The National FDP was a resounding success. The programme not only imparted valuable knowledge and skills but also fostered a collaborative learning environment among the participants. Moving forward, the participating faculty members contributed significantly to research activities within their respective institutions, thereby enhancing the overall academic research output.

**FACULTY DEVELOPMENT
PROGRAM**

**ADVANCED DATA ANALYSIS
TECHNIQUES FOR RESEARCH**

22ND JULY 2024 TO 30TH JULY 2024

Day1:22nd July2024

Session 1: “Systematic Literature Review”

In room 312, the Summer FDP on Advanced Data Analysis Techniques for Research began with a welcome ceremony. The anchor, Ms. Geeta Khari, opened the program by introducing the participants and discussing the evolution of GIBS over time. The guest was given a plant sapling by the event coordinator, Prof. (Dr.) Abhijit Das. Delivering a thorough SLR was discussed by the speaker Dr. Shalini Aggarwal, Alumna of the Indian Institute of Management (IIM), Ahmedabad, & Professor of Finance, Chandigarh University, Mohali. He informed that a thorough SLR needs to be planned out in detail, carried out methodically, and the literature must be critically evaluated. Every stage, from formulating the research topic to sharing the results, is critical to the overall effectiveness and influence of the SLR, according to the speaker. The definition of a study question, objective, data extraction process, and data validation were other topics the speaker focused on. The workshop served as a springboard for conducting research, according to attendees. The session ended with the vote of thanks delivered by Ms. Geeta Khari.

Day 1: 22nd July 2024

Session 2: “AI-based Bibliometric Analysis”

The next session was continued by Dr. Shalini Aggarwal on AI-based Bibliometric Analysis and its useful applications in a variety of real-world scenarios. The session aimed to shed light on the applications of Artificial Intelligence (AI) in enhancing bibliometric analysis, a key tool in academic research and evaluation. Dr Shalini highlighted the increasing significance of AI in the realm of academic research. He emphasized how traditional bibliometric methods, which involve the quantitative analysis of academic literature, are evolving with the integration of AI. Prof. (Dr.) Abhijit Das offered the vote of thanks to the speaker at the end of the session.

Day 2: 23 July 2024

Session 1& 2: “Python using Jupiter Notebook”

Dr. B.P. Sharma, President, Vigor Council took the session on second day. He was welcomed by Prof. (Dr.) Abhijit Das. The speaker deliberated on Python using Jupiter notebook. The participants received wealth of information to write and execute Python code. The speaker discussed that embracing Jupiter Notebook empowers users to develop proficiency in Python while fostering a deeper understanding of programming concepts and applications. Few doubts were also raised by faculties related to implementation of discussed techniques and the speaker also clarified the same. Further, he explained that Jupiter Notebook enhances the Python learning experience by providing an interactive environment where users can write and execute Python code, visualize data, and include explanatory text seamlessly. The speaker showcased the practical approach to the concepts explained theoretically in the first session. The participants also put their hands to write and execute Python code. The session proved to be highly significant and resourceful to provide an easy and comprehensive understanding in conducting various qualitative research works. The session provided an enriching experience and valuable

information to the participants. The terms explained were lucid and well delivered.

Day 3: 24th July 2024

Session 1 & 2: “Data Mining and analysis of Data through Orange”

Resource person Mr. Mohan Krishan, Director, Acquinkwas welcomed by Prof. (Dr.) Abhijit Das. Mr. Mohan explained about data mining in detail which involved extracting valuable insights from sequences of actions or events recorded over time, such as user interactions on a website or application. He explained that Orange, a powerful data mining and visualization tool, provides robust functionalities for both tasks through its intuitive interface and comprehensive suite of tools. Orange proves to be a versatile tool for session data mining and concept analysis, offering powerful capabilities to uncover hidden patterns and derive meaningful insights from complex datasets. By leveraging Orange's functionalities, analysts and data scientists can effectively explore session data, understand user behavior, and optimize business strategies based on actionable insights.

Session 2 was on Analysis of Data through Orange. He explained Orange facilitates the process of session data mining and concept analysis through its user-friendly interface and robust analytical tools, making it a valuable asset for extracting actionable insights from complex datasets.

Day4:25th July2024

Session 1& 2: “Data Visualization”

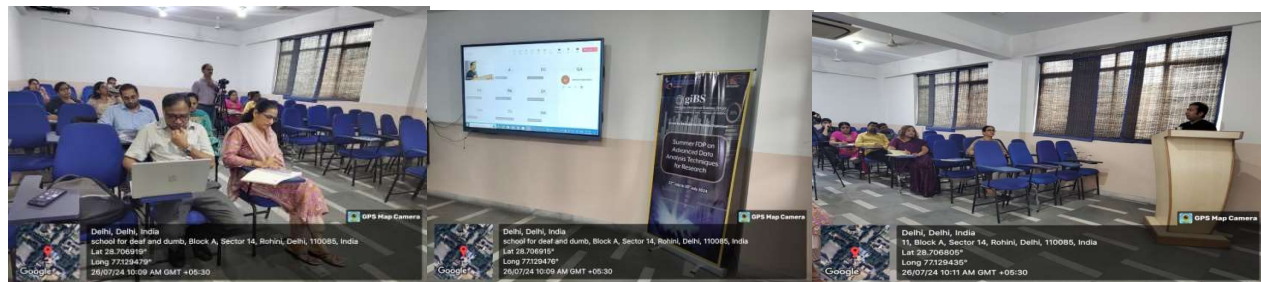

The fourth day began with the session of Dr. Ajay Chauhan, Chief Consultant- Research Shiksha. He was welcomed by Ms. Geeta Khari. The speaker deliberated on Data Visualization for communicating insights from data. The session focused on providing a comprehensive understanding of the principles, techniques, and benefits of data visualization, providing guidelines for effectively communicating insights from data. Further, he provided an in-depth understanding overview of Data visualization as a crucial tool for transforming complex data into accessible, intuitive, and actionable insights. By representing data graphically, visualization allows for easier pattern recognition, trend analysis, and decision-making. All the participants seemed enlightened by the session. The terms explained were lucid and well delivered.

The second half of the session was based on practical practice of Data Visualization for communicating insights from data. The Speaker showcased the practical approach to the concepts explained theoretically in the first session. Participants worked on sample datasets to apply learned concepts. He provided guidance and assistance during the practical exercises. The session proved to be highly significant and resourceful to provide an ease and comprehensive understanding in conducting various qualitative research works.

Day5:26th July2024

Session 1: “Data Extraction and Statistical Analysis using Python”

Dr. B.P. Sharma, President, Vigor Council introduces data extraction and statistical analysis using Python. The speaker provided an overview of how Python can be used for extracting data from various sources and performing statistical analysis, including key libraries, methodologies, and best practices. Python has become a dominant tool for data extraction and statistical analysis due to its simplicity, extensive libraries, and community support.

The Speaker showcased the practical approach to the concepts explained theoretically in the first session. Participants learnt how to extract data from various sources including CSV files, Excel sheets, databases, and APIs using Python. They performed basic statistical analysis including measures of central tendency, dispersion, and correlation. Participants appreciated the hands-on approach and the real-world applicability of the skills taught. The practical exercises helped reinforce theoretical concepts.

Day6:27th July2024

Session 1&2: “Applying AI tools in Research”

The sixth day began with the session of Prof. (Dr.) Abhijit Das, Professor, Gitarattan International Business School. He was introduced and welcomed by Dr Anjali Gupta. The speaker deliberated on Applying AI tools in research- Elicit, Consensus, Scispace, Jenni AI. The session focused on highlighting functionalities, benefits, and applications in research of AI tools. Further, he explained the integration of AI tools into research workflows offers substantial benefits in terms of efficiency, accuracy, and collaboration of Artificial Intelligence (AI) tools have increasingly become integral to research across various domains. They streamline workflows, enhance data analysis, and facilitate comprehensive literature reviews. All the participants seemed enlightened by the session.

The second half of the session the participants worked on sample datasets to apply concepts learned in session 2. The session aimed to familiarize participants with these cutting-edge tools, demonstrating how they can streamline research processes, enhance literature reviews, and aid in academic writing and data analysis. Dr Das demonstrate how these tools can increase efficiency in literature review, data synthesis, and academic writing. Participants appreciated the hands-on approach and found the tools highly relevant to their research needs.

Day 7: 29th July 2024

Session 1 & 2: “Using Python Modules”

Dr. B.P. Sharma, President, Vigor Council took the session on Using Python modules. The session focused on four essential libraries in this ecosystem which are NumPy, Pandas, SciPy, and Matplotlib. Each library provides specific functionalities that complement each other, allowing for efficient data manipulation, numerical computation, and visualization. Further, he explained that Python is a versatile programming language widely used in data science, scientific computing, and

machine learning. NumPy, Pandas, SciPy, and Matplotlib are integral parts of the Python scientific computing ecosystem. NumPy provides foundational array operations, Pandas enables efficient data manipulation, SciPy extends functionality for advanced scientific computations, and Matplotlib offers powerful visualization tools.

The second half of the session was based on hands on practice of using Python modules: Numpy, Pandas, Scipy and Matplotlib. The goal was to equip participants with the skills needed to perform data manipulation, statistical analysis, and data visualization effectively. Participants gained practical experience in using these libraries for data analysis tasks. Dr Sharma taught participants how to manipulate and analyze data using NumPy and Pandas. He showed how to perform statistical computations and tests using SciPy. He also demonstrated how to create informative and aesthetically pleasing visualizations using Matplotlib. The practical training session successfully met its objectives, providing participants with the skills and confidence needed to use these tools in their data analysis tasks.

Day8:30th July2024

Session 1: “Publishing research papers in High Impact Journals”

Prof. (Dr.) Sumanjit Singh, Professor, Department of Commerce, Ramjas College, University of Delhi deliberated on publishing research papers in High Impact Journals. The session outlined the essential steps and best practices for preparing and publishing research papers in such prestigious journals. Further, he explained that publishing research papers in high-impact journals is a significant milestone in an academic or research career. High-impact journals are characterized by their rigorous peer-review processes, wide readership, and high citation rates. All the participants seemed enlightened by the session.

Session 2: “Bibliography & citation- Using tools like Mendeley & Zotero”

The second half of the session was based on Bibliography & citation- Using tools like Mendeley & Zotero and was taken by Prof Abhijit Das, GIBS. He explained that effective bibliography and citation management are crucial for academic writing and research. Proper citation practices ensure the credibility of research, prevent plagiarism, and facilitate the retrieval of sources. Tools like Mendeley and Zotero are designed to streamline the management of references, organize bibliographic data, and integrate with word processing software to automate citation tasks. The session proved to be highly significant and resourceful.

GENDER SENSITIZATION WORKSHOP ON “TALKING GENDER, EXPLORING IDENTITIES” 30th APRIL 2024 (TUESDAY)

On April 30th, 2024, the NSS Unit of Gitarattan International Business School organized a significant workshop on Gender Sensitization titled "Talking Gender, Exploring Identities."The

resource person for the workshop was Dr. Vinita Chandra. Associate Professor, Ramjas College, Delhi University. Dr. Chandra delved into critical discussions surrounding gender dynamics and societal norms. Dr. Chandra, renowned for her expertise in addressing sexual harassment and advocating for gender equality, brought invaluable insights to the forefront.

The workshop emphasized the paramount importance of gender sensitization in confronting the entrenched effects of patriarchy on societal structures. Patriarchy's stronghold, marked by male dominance and control, has perpetuated pervasive gender inequalities through rigid roles, unequal power dynamics, and systemic discrimination against marginalized genders. Gender sensitization emerged as a potent tool in challenging these norms and fostering empathy and understanding among individuals.

Throughout the event, participants were urged to recognize and confront the adverse impacts of patriarchy on diverse genders. By challenging stereotypes and advocating for equal opportunities and rights, gender sensitization endeavors to dismantle systemic barriers and empower individuals to speak out against patriarchal practices.

The NSS volunteers, through meticulous planning and execution, ensured the smooth functioning of the workshop from 1 pm to 2:30 pm. Their dedication in managing the attendees and maintaining discipline contributed significantly to the success of the event.

Overall, the initiative undertaken by the NSS unit of GIBS promises to have a profound impact, particularly in empowering female students and equipping them with the tools to navigate and protect themselves in a patriarchal society. By fostering awareness and advocating for systemic change, the workshop serves as a crucial step towards creating a more equitable and just society for all genders.

MEMORANDUM OF UNDERSTANDING

Between

Gitarattan International Business School (GIBS), INDIA

And

Tuljaram Chaturchand College of Arts, Science &
Commerce (Autonomous), Baramati (M.S.)

PREAMBLE

This MEMORANDUM OF UNDERSTANDING is entered into by and between the Gitarattan International Business School (GIBS), PSP 2A & 2B, Madhuban Chawk, Rohini, Delhi, India, affiliated to Guru Gobind Singh Indraprastha University, New DELHI, India, and T.C. College, Baramati (M.S.) (Name, Official Address of the University/Institute) affiliated to Savitribai Phule Pune University, Pune (if required) and are referred to collectively as "Parties" or individually as "Party". The parties agree to engage in cooperative programmes of education and research and to promote exchange among their faculty and students, in order to enhance the learning experience, and international understanding, on the basis of equality, mutual benefit and reciprocity; and thereof, the parties wish to define the broad terms and conditions under which they will engage in cooperative programmes.

1. Purpose/Objectives

The goal of this cooperation is to foster academic collaboration, provide opportunities for global experience and to facilitate advancement of knowledge on the basis of reciprocity, mutual benefits and frequent interactions. The parties agree to explore the possibilities of engaging in the following areas of collaboration

- (a) Exchange of faculty for limited periods of time for purposes of education, research, training, and consultancy.
- (b) Exchange of students for purposes of education, research, internship, and training.
- (c) Joint organization of seminars, conferences, workshops and short-term continuing education programmes on topics of mutual interest.
- (d) Exchange of information on research, teaching, learning materials and other literature relevant to the parties.
- (e) Share expertise for research publications, educational training, summer courses, diplomas and development programs, and likewise.

2. Provisions for collaboration

2.1 Faculty-related collaboration

Both the parties to the MoU undertake to promote faculty-related collaboration for academic purposes.

- (a) There may be mobility of the faculty members from one party to the other for short duration on the terms and conditions agreeable to both parties.
- (b) The faculty under mobility may be engaged in teaching programmes, participate in seminars, participate in executive & joint programmes, carry out research work to promote academic interests of both the institutions during the exchange duration.
- (c) The request for exchange of faculty shall be duly forwarded by the interested party and to be agreed by the other party in the terms proposed by the intending party.

2.2 Student-related collaboration

Both the parties to the MoU undertake to promote student-related collaboration for academic purposes.

- (a) The host institution shall recognize the eligibility obtained by the candidate studying in home institution as per the norms of the country in which the home institution operates.
- (b) The student mobility programs shall be allowed for a very short period and to be completed within a semester.
- (c) The student/s may attend any seminar / conference/certificate course under mutual agreement between the parties. The cost should be borne by the student and the organizing party may provide local assistance, if asked for.
- (d) To attend any such activity, the registration fee of the students should be waived off by the organizing party on request of other party.

2.3 Institution-related collaboration

Both the parties to the MoU undertake to promote institution-related collaboration for academic purposes : The parties may mutually decide to undertake institutional-level collaborative activities such as joint conferences/ seminars/ workshops, extramural projects, or other similar activities.

3. Costs, Finances, Fees and Insurance

- (a) Each party will be responsible for its own costs related with the administration of the collaborations under this MoU.
- (b) For institution-related collaboration, each party will be responsible for its own costs in connection with all matters relating to collaborations under this MoU. The terms and conditions for each activity, including those concerning stipend, travel, and housing, etc, would be worked out between the parties.
- (c) For faculty-related collaborations, each party will be responsible for its own costs in connection with all matters relating to collaborations under this MoU. As a norm, the travelling cost shall be borne by the home institution, boarding and lodging cost shall be borne by the host institution and the stipend etc shall be worked out mutually by both the parties.

- (d) The terms and conditions for each exchange or assignment, including those concerning stipend, travel, and housing, etc. would be worked out between the parties.

4. General Provisions

- (a) Any specific joint projects with legally binding obligations will be set forth in separate written agreements.
- (b) Treatment of intellectual property rights developed through collaborations under this MoU will be determined between the parties through mutual consultation and separate written agreements on a case to case basis. IIC Webinar on Angel Investment/ venture Capital finding opportunity for early-stage Entrepreneurship

21st April 2024

Entrepreneurship is the backbone of any economy, and supporting early-stage startups is essential for driving innovation and job creation. Angel investors and venture capitalists play a vital role in providing the necessary funding and resources to help these startups grow and succeed. The session presents an opportunity to learn about angel investors and venture capitalists to invest in early-stage entrepreneurship and support the next generation of innovative startups.

The Objective of the IIC Webinar was to understand the critical role of Angel investors., to identify and evaluate risk/ problems associated with Angel investment and to overcome challenges faced by the startups beyond funding such as strategic guidance etc.

The resource person for the IIC webinar was Dr. Janardhan Kundlik Pawar, Head, Department of Commerce TuljaramChaturchand College of Arts, Science and Commerce (Autonomous), Baramati, Dist. Pune, Maharashtra. The webinar was conducted for students of MBA Program 2nd Semester. There were 31 students present in the Webinar.

The session was conducted on Microsoft teams and started with welcoming of Our Resource Person. Dr. JK Pawar gave a valuable session on Angel investment and Venture Capital. Many Students are keen to set up their own business. They have skills to conceive ideas for state ups but lack Financing or arranging capital for the business. This issue was addressed by Dr. JK Pawar in the Webinar. He started the session by explaining the need for venture capital. He explained the difference between Angle investment and Venture Capital. The session was carried forward by Explaining the Process of Venture capital and stages of financing. Students attended the session with great zeal. They had a good understanding of financing options for their startups. They were apprised of the need for angle investors in our economy and how to make a profitable venture. The session concluded with a vote of Thanks to our resource Person Dr. JK Pawar.

Learning Outcome- Emerging Entrepreneur will be able to analyze that the roles of angel investor is not limited to funding only. Formulation and implementation of effective strategy on strategic guidance.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) records the understanding arrived on this 29th day of November, 2022.

BETWEEN

**SIMMI Foundation & Gitarattan International Business School
(For Internship, placement for BBA & MBA Students)**

Smart India Multi Management Institute (SIMMI) Foundation, Niti Aayog (Govt. Of India) Unique Id: HR/2020/0258148, is a Pan India NGO Registered in Gurgaon, Haryana, India, Carrying out welfare Projects on **Healthcare, Education, Livelihood, Women & Youth Empowerment**. Through its Founder & Chairman, **Mr. Manish Shandilya Sharma** (hereinafter called as "**SIMMI Foundation or SF**"), which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns of the One Part;

SIMMI FOUNDATION aims to create a society based on equal rights, equity, and justice, among other things. Their goal is to eliminate poverty and improve the dignity of the poor by addressing their unmet needs and requirements. Their main focus is on empowering women, child education, poor people, livelihoods, and so on. In their opinion, civil society should be actively involved in the development process; otherwise, long-term change will not occur. They have provided vocational training facilities for women to improve their skills and provide them with employment opportunities. Children have also received an academic education, and various incentives have been implemented to organize sports events and specialized coaching facilities for them. Furthermore, they have implemented various schemes to provide livelihood and upliftment to the poor in society, as well as worked to revitalize, repair, and develop good roads, libraries, irrigation, canals, and other infrastructure in rural areas. They also distributed medical supplies and raised awareness about sanitization, nutrition, clean water, and toilets.

AND

Gitarattan International Business School a College/ **GURU GOVIND SINGH INDRAPRASTHE UNIVERSITY** / registered under Rohini Educational Society having its registered office at C-1/30, Prashant Vihar Delhi-85. Represented by **DIRECTOR Prof. Dr. P.M. Johari**, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns of the Other Part;

The Parties to this MOU hereinafter shall be jointly referred to as 'the Parties' and individually as 'the Party'.

WHEREAS SIMMI Foundation is entering into this MOU with **GIBS** on non-exclusive basis.

1. Objective of MOU:

To provide internship opportunities to students of GIBS College as a part of Smart India Youth Internship Program, which ensures to bring social awareness to the students. SF is collaborating with GIBS College as an NGO partner in the School for Life, where students are recruited as interns to support the projects and initiatives of SF and to work tirelessly for making our Society better.

2. Obligations:

Both the organizations acknowledge the fact that no contractual relationship has been created out of this MOU and they agree to work in unison towards their respective goals and targets to make this collaboration a success and thereby exemplify the spirit of transparency and responsibility.

3. Cooperation in view of this Collaboration:

The MoU shall oversee the functioning of SF as an NGO in the **GIBS**.

The roles for both the parties would be:

A.) Role of SF:

1. Representatives of SF will join a webinar to represent the work being done to encourage students to join as an intern.
2. The identified students will be trained by SF based on the role as Interns that they are shortlisted for. Training will be common for all Interns joining the organization.
3. Interns will be assigned tasks based on the role they are shortlisted for.
4. Interns will be reporting to their Supervisor/ Manager SF officials. The officials of SF will ensure the safety and well-being of students when they're on field.
5. SF will ensure all the policies related with prevention of Sexual Harassment or Discrimination which is applicable to their employees or is applicable as per Law of the Land will be applicable to the GIBS College students.
6. SF will encourage Interns to submit a report based on their role, for which support will be provided. Intern participation shall be shared in the form of credits (A tracking mechanism used to see how the intern has performed their role through the year) to **GIBS** to help grade the students as a part of their course.
7. Confidential Personal Information: "Confidential Personal Information" means all information about the intern students, including Transaction Information and their names, addresses, all contact information and demographic or financial information. Confidential Personal Information may be used only for the limited purpose for mere operation of this MoU. SF shall be liable for all unauthorized disclosures and use of Confidential Personal Information by its Affiliates and personnel. Notwithstanding the obligation for maintaining confidentiality, SF will notify the **GIBS** promptly upon the discovery of the

loss, unauthorized disclosure, or unauthorized use of the Confidential Personal Information, if any.

B) Role of GIBS College would be as under:

1. Ensuring to provide a platform for students to be addressed about the interning roles in the organization.
2. Encourage students to join SF and give them permission to attend events and classes during the weekends or the Particular time period.
3. Ensure to provide a platform to Smart India Multi Management Institute (SIMMI) Foundation, Niti Aayog (Govt. Of India) Unique Id: HR/2020/0258148, to build a SF team of your college in your Premise, where the team will conduct meetings and plan activities relating to social welfare to make our INDIA better.
4. GIBS College should maintain its regular and systematic records as well as conduct periodical meetings, monthly or quarterly to discuss the work ethic and behavior of the students.
5. GIBS will ensure all the policies relating with prevention of Sexual Harassment or Discrimination which is applicable to their Students/Employees or is applicable as per Law of the Land will be applicable to the SIMMI FOUNDATION Employees/Students.
6. Ensure to conduct a Mega Plantation Event or Rojgar Mela or various Several Social Initiatives at least once in a year with SIMMI FOUNDATION as your NGO Partner to provide better opportunity to the students of GIBS College.

Your Benefit: Whenever (SF) conducts any State, National and International Mega Events/ Big Expo/ Marathon, (GIBS) can get opportunities to be part of that Event or can directly Sponsor with us.

4. Financials:

(GIBS) will provide the adequate infrastructure/ Facilities for conducting meetings/interview sessions with SIMMI INDIA responsible for our students. Notwithstanding anything to the contrary contained herein, SF, shall render entire its services under this MoU on pro bono basis i.e. without charging or seeking reimbursement of any payment, fee, charges whatsoever from the Interns or GIBS.

Both the Parties of this MOU agree to Use of Logo/Name "Permission is given to both the parties to use the official marks of the other party specifically the institutional name and/or institutional logo solely for the purposes of promoting and administering the collaborative activities between the institutions; Provided, that the party using the official marks of the other party shall take all such reasonable degree of care as an institution of good ethical and normal prudence would expect in its own case."

1. Arbitration and Jurisdiction:

In case of any dispute arising between the parties in respect to any of the terms in this MoU, the parties undertake to mutually discuss and resolve the dispute or differences and to settle the same by issuing a notice within 15 days from the date of the issue becoming known to either party. In case no such settlement is arrived at after mutual negotiations, the matter may be resolved by arbitration and arbitration shall be appointed by the mutual consent of the parties to their MOU and shall be governed by the provisions of the Arbitration and Conciliation Act 1996 subject to any statutory modification, amendment or re-enactment, from time to time.

2. MOU Effective Date:

This Memorandum of Understanding shall be effective from the date of signing by both parties.

3. Term of MoU:

This MoU, unless extended by mutual written agreement of the parties, shall expire 5 years after the effective date as specified hereinabove. This MoU may be amended or terminated earlier by mutual written understanding of the parties at any time. However, no such early termination of this MoU, whether mutual or unilateral, shall affect the current obligations of the parties under the MOU. Notwithstanding, either party may terminate this MOU after giving a 90 days written notice to the other party.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (this "MOU") is made effective as of 1 September 2022

BETWEEN

INTI INTERNATIONAL UNIVERSITY wholly owned by INTI INTERNATIONAL EDUCATION SDN BHD [Company No. 199401043150 (328838-A)] company incorporated under the laws of Malaysia, with its business address at Persiaran Perdana BBN, Putra Nilai, 71800 Nilai, Negeri Sembilan Malaysia (hereinafter referred to as "INTI");

AND

GITARATTAN INTERNATIONAL BUSINESS SCHOOL affiliated to GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY DELHI with the registered address at PSP 2A & 2B Complex-II Madhuban Chowk, Sector-14, Rohini Delhi - 110085 (hereinafter referred to as "the University").

INTI and the University are collectively referred to as the "Parties", and each, a "Party."

Both parties have reached consensus on the following education objectives below:

1. Proposed partnership

Subject to the entry of the definitive agreements, the Parties intend to strengthen the mutual friendly partnership by promoting academic exchanges and exchange of visits by students and faculties of both Parties.

a) Student Exchange Programs

Student exchange programs will include, without limitation to, study tours and trial classes for students (refer to Appendix 1 for further explanation); summer camp, winter camp; international students exchange program (refer to Appendix 2 for further explanation); foundation programs and Sino-foreign cooperation programs for bachelor-degree education, master-degree education and doctor-degree education.

b) Faculty Exchange Programs

The faculty exchange programs will include, without limitation to, academic visiting & communication in Malaysia program (refer to Appendix 3 for further explanation); online and offline teacher training (refer to Appendix 4 for further explanation); joint operation of seminars, academic meetings and R&D projects; academic funding and visiting scholar program (refer to Appendix 5 for further explanation) and further education programs for bachelor-degree education, master-degree education and doctor-degree education.

2. Term of Partnership

The term for partnership between the Parties shall be five (5) years from the date of this MOU, during which time the Parties may, through friendly discussion, choose the appropriate partnership model and enter into the definitive agreements.

If any Party intends to extend the term, such Party shall send a written notice to the other Party expressing its intent for extension at the end of the fourth (4th) anniversary of the date of this MOU and such renewal shall be prepared in writing and signed by both parties hereto.

3. Exclusiveness

Both parties understand that this MOU is not exclusive and each party is permitted to enter into such agreements as it deems fit with other universities and institutions.

- a) In connection with this MOU, either Party may prepare, compile and distribute materials ("Materials") for use during the discussions. Each Party or its independent contractor(s) authoring such Materials shall retain all ownership right, title and interest (including copyright) in the Materials. Neither Party shall have the right to reproduce, modify or use the Materials of the other Party without the prior written consent in each instance of the other Party or the independent contractor(s) authoring such work.
- b) Subject to mandatory provisions of applicable laws, any intellectual property rights derived from performing this MOU shall be owned by INTI and the use, ownership and licensing of such intellectual property rights shall be governed by INTI's intellectual property policies.
- c) The University will remain the owner of the knowledge, methodologies, software and tools that are its own and that it makes available for the execution of this MOU which are not understood in any case to be transferred by virtue of it. Therefore, INTI will refrain from carrying out any conduct that directly implies a violation of intellectual property rights on any material used in the execution of this MOU, whose ownership falls on the University, responding to it for any direct damage, immediate and proven that it may cause by the breach of this obligation.

5. Use of Logo and Names of the Other Party

Neither Party shall use the registered logos, name or associated marks of the other Party without the prior written consent of the other Party in each instance. The University shall not make any public announcements regarding this MOU or its contents without prior written consent from INTI. Use the name and image of the University under the terms and conditions previously informed in writing and with the sole purpose of promoting the object of this MOU.

6. Non-Binding

Whilst both Parties hope to benefit from working together in the manner envisaged in this MOU, this MOU should not in any way be legally or contractually binding or enforceable or of any other contractual effect or legal consequence. Except for the provisions specifically noted as binding, either Party shall have any liability to the other Party for any failure to perform or breach of this MOU. This MOU is a bilateral legal act of collaboration between the parties. Therefore, by virtue of its nature, the parties expressly agree that this Agreement does not constitute a commercial agency, mandate or any representation between the parties.

7. Binding Obligations

Notwithstanding the non-binding nature of this MOU, the Parties hereby agree that the following provisions shall be binding on the Parties:

a) Confidentiality

The existence, the terms and conditions of this MOU, all drafts of agreements and other information exchanged and all negotiations between the Parties in connection therewith shall be confidential information and shall not be disclosed to any third party by either Party other than to its shareholders, directors, officers or advisors who have a need to know, and in each case only where such persons or entities are under appropriate nondisclosure obligations, unless the disclosure is required by law or regulatory authority or any stock exchange on which the shares of any party are listed. If any Party determines that it is required by law or regulatory authority or stock exchange to disclose information regarding this MOU or to file this MOU with any regulatory body, it shall, within a reasonable time before making any such disclosure or filing, consult with the other Party regarding such disclosure or filing and seek confidential treatment for such portions of the disclosure or filing as may be requested by the other Party.

b) Notices

59

Any communication under this MOU will be in writing in the English language and delivered by registered mail to the address or sent to the electronic mail address of the Parties as the case may be shown below or to such other address or electronic mail address or facsimile number as either Party may have notified the sender and shall, unless otherwise provided herein, be deemed to be duly given or made when delivered to the recipient at such address or electronic mail address or facsimile number which is duly acknowledged.

Appendix 1 - Study tours and trial classes for students

With the allocated budget, students from our partner institutions can be invited to trial and experience top-notch education as well as vibrant campus life that INTI has to offer. All basic expenses, including insurance fees will be borne by INTI, upon their arrival to Malaysia. The study tour will last 2 weeks long.

- a) Basic services include 3 meals for free per day at INTI cafeteria (within 3000) plus accommodation in campus hostels (including disposable toiletries), and free transport to and from the airport (air conditioned buses).
- b) Study tour includes Exposure to Intensive English courses, experiencing the unique education mode and trial classes, international student activities (extracurricular), and students from over 100 countries and participating in various student activities such as clubs and societies, birthday parties, costume parties, barbecues, buffet and tasting of various fruits, among others).
- c) Please note that during the study tour, participants are strictly prohibited from smoking, consuming alcohol, going out without consent and any other behaviors that violate Malaysian law or customs. Participants may extend their trip not more than three days at their own expense, of which INTI will not cover the cost.

Appendix 2 - International Student Exchange Program

INTI welcomes the exchange of excellent graduating students with partner institutions. Exchanging students from each side can enhance their academic research ability and employment competitiveness in a different environment, bursting out new ideas and making new friends. Exchange program can extend up to 1 year.

- a) Participating students in this program will not pay any additional tuition (incidental fees and accommodation fees shall be paid by students according to the provisions of INTI and partner institutions along with their own consumption choices).
- b) Participating students in this program will benefit from mutual recognition of academic credit. Meanwhile, the exchange students in INTI will also take intensive English courses and participate in other activities INTI open to them in Malaysia for free.
- c) Please note that during the exchanging time, participants are strictly prohibited from smoking, consuming alcohol, going out without consent and any other behaviors that violate Malaysian law or customs.

Appendix 3 - Academic Visiting & Communication in Malaysia Program

INTI welcomes administrations and educators from partnering institutions to experience the unique Southeast Asian culture and education system that is found in Malaysia. On the trip, they will be able to experience and differentiate the teaching methods and scientific research practices of both countries. It is through the exchange of views, learning and comparison that educators can transfer their ideas on the management, while also fostering an international mindset. All basic expenses excluding insurance fees will be covered by INTI, upon their arrival to Malaysia. The tour will last a week.

- ii) Basic trip package includes visits to established universities and prestigious companies in Malaysia. Participants of INTI program will have the opportunity to exchange views with INTI management and staff. Package includes air tickets, academic lectures, seminars, and forums.
- iii) Basic services include 3 meals (or free per day) at INTI canteen (buffet style), free accommodation in dormitory (single room) with disposable facilities, and free transport to and from the airport (air-conditioned buses).
- iv) Please note that during the study tour, participants are strictly prohibited from smoking, consuming alcohol and any other behaviors that violate Malaysian law or customs. Participants may extend their trip no more than three (3) days at their own expense of which INTI will not cover the cost.

Appendix 4 - Online and Offline Teacher Training Program

With the aim to share resources to create an excellent international education environment, INTI provides online and offline teacher skills training and updating to partnering institutions. All online training sessions are free of charge.

- a) The online training includes: Training on British teaching methods, intensive English language training, professional courses and lectures, educational qualification improvement training, and so on.
- b) The offline training includes: Regularly organized academic forums, invitation to partners to participate in international conferences, as well as professional learning program for undergraduate levels to doctorate.

Appendix 5 - Academic Funding and Visiting Scholar Program

Studying abroad and getting the opportunity to take part in international academic exchange are ways for universities in various countries to enhance their competitiveness. Realizing this, INTI will continue to expand funding support and cooperation in 2021 with the aim to progress at the same pace as other institutions.

- a) Academic funding support: This year INTI has set up a joint research fund of USD 5,000,000.00 (USD 6 million) to provide the necessary support for collaborative academic projects and joint publication of academic papers and journals with partner universities. Each project or article will receive funding ranging from USD 1,000.00 to USD 20,000.00 depending on its impact.
- b) Visiting Scholar Program: INTI plans to send doctoral students or professors as visiting scholars to partner universities for two months of academic exchanges, project collaboration, intensive language intensive training and professional lectures. INTI will bear the cost of salary and visa fees for the scholar, meanwhile, daily expenses, accommodation and go-and-return air tickets will be at the expense of partner institutions.

Memorandum of Understanding

This Memorandum of Understanding is entered on 06-08-2022 (“Effective Date”) by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as “**Edunet**”); and,

Gitarattan International Business School having its address PSP 2A & 2B - Complex, Madhuban Chowk, Rohini, New Delhi (hereinafter referred to as “**Institution**”).

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to the Tech Saksham Program (www.techsaksham.org) and SkillsBuild (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	2004
Recognition, NAAC rating, ranking:	Approved by AICTE, Min. of HRD for Technical Programmes & Bar Council of India for Law Programmes and affiliated to Guru Gobind Singh Indraprastha University, New Delhi. Assessed ‘A+’ by Govt. of NCT of Delhi. NAAC ‘A’ Accredited institution.
Vision:	To prepare outstanding professionals in business management and other disciplines, who can provide intellectual-emotional-psychological leadership; design-develop-implement systems & processes; and research-innovate-competes at national & international level.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this **Memorandum of Understanding** (hereinafter called “**MOU**”) witnesses the following.

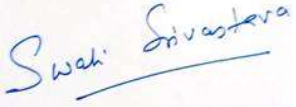

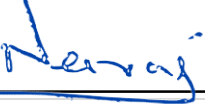

- 1. Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days’ notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- 2. Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- 3. Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.
- 4. Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
- 5. Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local

underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.

6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
7. **Responsibilities of Edunet and/or its program sponsors/partners:**
 - a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
 - b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
 - c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries
 - d. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
 - e. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
 - f. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
 - g. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
 - h. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
 - i. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
 - j. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)
8. **Responsibilities of Institution:**
 - a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
 - b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
 - c. **Publication of program calendars and goals:** Institute will publish, on a quarterly basis, a program calendar for all its participants.
 - d. **Support with computers labs and classrooms:** Institute will make its labs available to learners. It will make classrooms and/or audio-visual equipment available for face to face sessions, whenever required.
 - e. **Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.

- f. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
- g. **SIE chapter:** The Institute will support the SIE chapter, led by its students, to the extent possible.
- h. **No fees:** Institute will not charge any extra fees from learners for participation in Edunet programs.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the Effective Date.
