

**“RAKSHA BANDHAN CELEBRATION WITH  
 FIREFIGHTERS”**  
**5<sup>TH</sup> AUGUST 2025 (TUESDAY)**

The NSS Unit of Gitarattan International Business School (GIBS) organized a heartfelt RakshaBandhan celebration with the brave firefighters at the local Fire Brigade Station. This initiative was undertaken to honor and express gratitude to the courageous personnel who selflessly dedicate their lives to public safety and emergency service.

The event commenced around 11:15 AM, with all preparations—Rakhis, thank-you cards, sweets, and other materials—already in place. The NSS volunteers, along with a student performer from the Raag Society, initiated the celebration with a warm introduction and exchanged greetings with the fire station staff.

The Rakhi ceremony began shortly thereafter, where NSS volunteers tied sacred threads (Rakhis) on the wrists of the firefighters, symbolizing the deep respect and protective bond we share with them. Each Rakhi was accompanied by a handmade thank-you card, carefully crafted by volunteers to honor their bravery and dedication.

Following this emotional exchange, a melodious performance by a student (ManasMadaan) from Raag Society of GIBS elevated the mood. The musical tribute was highly appreciated by the firefighters and added a cultural and soulful touch to the celebration.

The event concluded with the distribution of sweets, light conversations, and heartfelt stories shared between the volunteers and the firefighters. Many of the firefighters expressed their joy, mentioning it was the first time a celebration like this was organized for them, making it all the more special. The visit not only spread smiles but also built a meaningful connection between the youth and our real-life heroes. It was a humbling and inspiring experience for everyone involved.
