

**10 DAY SPECIAL CAMP- DAY 6**  
**NUKKAD NATAK**  
**25<sup>th</sup> NOVEMBER 2025 (TUESDAY)**

The NSS Unit of Gitarattan International Business School (GIBS) organized an event titled “10 DAY SPECIAL CAMP DAY- 6” on **25th November 2025** at **Ekta Village, Rohini**, dedicated to a community outreach programme focusing on spreading awareness about cleanliness and hygiene. A Nukkad Natak (street play) was organized in collaboration with the Abhinay Club, using art and performance as tools to communicate significant social messages to the community.

The event began with volunteers warmly welcoming the residents. The activity took place at the nearby area where a large number of residents and children gathered to witness the performance. NSS volunteers and Abhinay Club members worked together in scripting, rehearsing, and presenting the play.

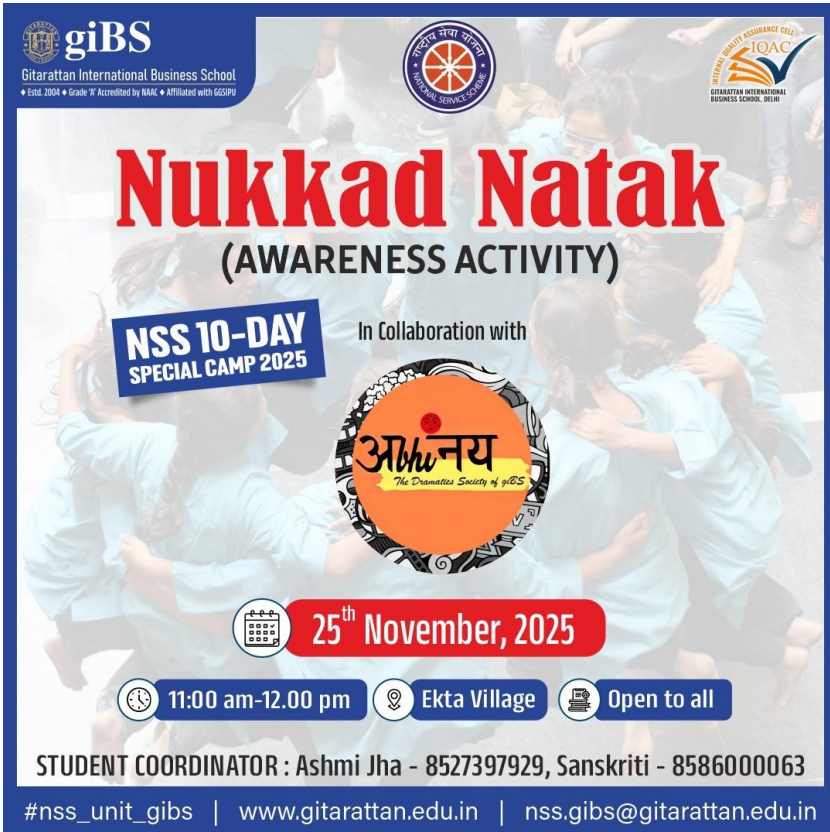

The street play highlighted issues such as:

- Poor waste management
- Littering in public spaces
- Health problems arising due to unclean surroundings
- The role of every citizen in ensuring Swachh Bharat

The impactful acting, catchy slogans, and interactive segments captured the audience’s attention. Volunteers also engaged with the public at the end of the performance, encouraging them to keep their locality clean and participate actively in cleanliness initiatives.

The Day 6 Nukkad Natak proved to be an effective awareness tool, combining creativity with social responsibility. The activity not only educated the community about cleanliness but also provided the volunteers with valuable experience in outreach, coordination, and public communication. It was a successful step toward promoting the vision of a clean and healthy society.
