

**10 DAY SPECIAL CAMP- DAY 7**  
**PLANTATION DRIVE**  
**26<sup>th</sup> NOVEMBER 2025 (WEDNESDAY)**

The NSS Unit of Gitarattan International Business School (GIBS) organized an event titled “10 DAY SPECIAL CAMP DAY- 7” on **26th November 2025** at **Jheel Park** located near **Jaipur Golden Hospital, Rohini**, it was an impactful community-led initiative aimed at enhancing urban green cover and promoting environmental awareness. Jheel Park, known for its serene surroundings and natural water bodies, served as an ideal venue for this eco-friendly activity. Its existing landscape of open lawns, walking paths, and native plant species provided a welcoming environment for volunteers.

A variety of native and climate-resilient saplings were brought for plantation, including:

- Neelkanth
- Champa
- Kaner
- Harsingar

As the plantation progressed, small groups worked together to dig pits, arrange compost, position saplings, and water the newly planted trees. The collective effort created a sense of teamwork and environmental stewardship among the participants.

By the end of the event, dozens of saplings were successfully planted, marking a meaningful addition to the existing greenery of Jheel Park. Overall, the plantation drive at Jheel Park near Jaipur Golden Hospital was a well-coordinated and inspiring event that contributed to environmental conservation.

## FLYER OF THE EVENT

**Plantation Drive**  
NSS 10-DAY SPECIAL CAMP 2025  
26<sup>th</sup> November, 2025  
11:00 am-12.00 pm | Ekta Village | Open to all
