

NSS- BAL MELA
14TH NOVEMBER 2025 (FRIDAY)

The NSS Unit of Gitarattan International Business School (GIBS) organized a vibrant and heartwarming event titled “Baal Mela” on 14th November 2025 at Ekta Camp, Rohini, to celebrate Children’s Day with the young members of the community. The initiative aimed not only to entertain the children but also to create a meaningful and memorable experience that fostered joy, learning, and community bonding.

The celebration commenced with NSS volunteers warmly welcoming the children and building an atmosphere of comfort and enthusiasm. The volunteers interacted with them through friendly

conversations, ice-breaking activities, and brief introductions to the fun-filled schedule planned for the day. Their efforts helped create an environment where every child felt included and excited to participate.

A series of engaging games and activities were conducted, including Kho-Kho, drawing competitions, singing sessions, and various talent showcases. The children's participation was enthusiastic and wholehearted, filling the grounds with cheer, energy, and lively spirit. Each game brought out their teamwork and sportsmanship, while the artistic and talent-based activities offered them a platform to display their creativity and confidence.

The drawing competition emerged as a highlight of the event, providing children an opportunity to express their imagination through colors and themes of their choice. Similarly, during the talent show, many children showcased their unique abilities—singing melodious songs, performing dances, reciting poems, and demonstrating other special skills. Their performances were met with applause and appreciation from volunteers and peers alike, creating moments of encouragement and motivation for the young participants.

The entire event area buzzed with laughter and excitement, reflecting the pure essence of childhood. The dedication and enthusiasm of the NSS volunteers played a pivotal role in maintaining smooth coordination and ensuring the active involvement of every child.

Towards the conclusion of the program, chocolates and small treats were distributed as a gesture of affection and celebration. The joy on the children's faces upon receiving these tokens of love added a special touch to the day, making the event memorable for both the children and the volunteers.

The “Baal Mela” was successful in bringing happiness, community spirit, and festive cheer to Ekta Camp. It strengthened the bond between NSS volunteers and the local community, highlighting the values of empathy, service, and social responsibility. Through their tireless efforts in planning, organizing, and executing the activities, the NSS volunteers ensured that every child felt valued, celebrated, and cherished on their special day.
