

**CAREER ADVANCEMENT PROGRAM ON
MATHEMATICAL AND LOGICAL REASONING AND
APTITUDE FOR COMPETITIVE EXAMINATIONS
6TH MAY 2026 (WEDNESDAY)**

The Career Advancement Programme (CAP) on “Mathematical and Logical Reasoning and Aptitude for Competitive Examinations” was successfully conducted on 6th May 2026 in the Seminar Hall (3rd Floor) of the institution. The session was organized for the students of BBA Semester IV, MBA Semester II, and MBA-IB Semester II with the objective of enhancing their analytical, quantitative, and reasoning abilities required for competitive examinations and placement processes.

The programme was graced by *Mr. Sudhir Malik*, Owner and Senior Faculty at BST Competitive Classes Pvt. Ltd., Pitampura, Delhi, who served as the resource person for the session. With over 25 years of teaching experience, he brought deep expertise in aptitude and reasoning, making the session highly insightful and practical.

The session focused on strengthening students’ conceptual understanding of mathematical aptitude and logical reasoning. Mr. Malik introduced various problem-solving techniques, shortcut methods, and exam-oriented strategies to improve speed and accuracy. The programme was highly interactive, with students actively participating in real-time problem-solving exercises and discussions. Practical examples and mock questions were used to simulate examination conditions, enabling students to develop confidence and improve their analytical thinking skills.

Overall, the programme proved to be extremely beneficial in enhancing students’ problem-solving capabilities, critical thinking, and exam readiness. The participants gained valuable insights and practical exposure, which will support them in performing better in competitive examinations and placement assessments.

FLYER OF THE EVENT

TYPE OF EVENT	Career Advancement Program
VENUE	Seminal hall, third floor, GIBS campus
TIME & DURATION	Timing 11:00 a.m. onwards
CONDUCTED BY	GIBS
ORGANISED FOR	BBA (semester 4 –shift 1 st and 2 nd); MBA (semester 2 nd); MBA-IB (semester 2 nd)
NAME OF THE COORDINATOR	DR. EKTA AGGARWAL
ATTENDANCE	92

RESOURCE PERSON DETAILS	MR. SUDHIR MALIK OWNER & SENIOR FACULTY, BST COMPETITIVE CLASSES PVT. LTD.
OBJECTIVES OF THE EVENT	<ol style="list-style-type: none"> 1. To develop advanced mathematical and logical reasoning skills among students. 2. To enhance problem-solving speed and accuracy required for competitive examinations. 3. To familiarize students with the latest patterns and trends in aptitude-based assessments. 4. To build confidence and analytical thinking abilities for placement and higher education opportunities.
LEARNING OUTCOME	<ol style="list-style-type: none"> 1. Improved proficiency in solving mathematical and logical reasoning problems. 2. Enhanced performance in competitive examinations and placement tests. 3. Development of critical thinking and analytical decision-making skills. 4. Increased confidence among students in handling aptitude-based assessments.
SHORTFALL DURING EVENT	None
