ABOUT GIBS

Gitarattan International Business School (GIBS) was established in the year 2004 and is affiliated to Guru Gobind Singh Indraprastha University (GGSIPU), Delhi. It is approved by All India Council for Technical Education (AICTE), Ministry of Education, Government of India for Technical programmes and Bar Council of India (BCI) for Law programmes. It has been awarded graded 'A' by National Assessment & Accreditation Council (NAAC) in its third cycle and grade 'A' by Joint Inspection Committee (JAC) of Government of NCT of Delhi and GGSIPU, as well as rated Grade 'A' by Academic Audit Cell of GGSIPU, Delhi.

GIBS has achieved a 4-star rating in the IIC, Ministry of Education (MoE) Ranking, 2021. It has also been ranked No. 2 Pan India by the *Times Business School Survey* in 2021, 2019, and 2018. In addition, GIBS secured the 19th position among the Top 20 Business Schools in North India in the *Times B-School Survey 2023* (Pan India) for its MBA programme, and was ranked No. 1 for its BBA programme in the same survey. Furthermore, GIBS has been awarded an A+ rating by the State Fee Regulatory Committee (SFRC), a top-tier accreditation recognizing excellence in institutional quality, governance, and transparency.

At GIBS, we are dedicated to nurturing future leaders, innovators, and professionals through our comprehensive and dynamic academic programs. Our institution offers a range of courses designed to equip students with the knowledge, skills, and experiences necessary to excel in the modern world. We proudly present our MBA, MBA-International Business, BBA (H), BCA, Integrated BBA-MBA, Integrated BALLB, Integrated BALLB (H), Integrated BBALLB, Integrated BBALLB (H), LLB and LLM programmes, each tailored to provide a robust educational foundation and practical insight.

ABOUT THE MDP PROGRAMME

The financial landscape is undergoing rapid transformation driven by advancements in artificial intelligence (AI), automation, and financial technologies (FinTech). These innovations are reshaping how organizations manage financial data, make strategic decisions, and create value. These technologies are transforming financial operations, decision-making processes, customer engagement, and risk management practices across industries.

In today's dynamic business environment, traditional financial practices are increasingly insufficient to handle the complexity, speed, and scale of modern financial operations. Organizations need finance professionals who can integrate technology with financial expertise. Digital transformation in finance addresses these challenges by:

- a) Enhancing decision-making through AI-driven financial analytics.
- b) Automating routine financial processes to improve efficiency and reduce errors.
- c) Leveraging FinTech solutions for better financial management and innovation.
- d) Enabling real-time financial reporting and forecasting.
- e) Strengthening risk management through advanced data analytics tools.

Recognizing the growing importance of digital competencies in finance, the Institute is organizing a 5-Day Management Development Programme (MDP) on "Digital Transformation in Finance: AI, Automation, and FinTech for Strategic Decision-Making."

From predictive analytics to blockchain-enabled transactions, finance professionals are required to adapt to new tools and methodologies. This MDP aims to provide participants with a comprehensive understanding of digital transformation in finance and equip them with the skills to leverage emerging technologies for improved financial decision-making and corporate performance. Through expert sessions, hands-on learning, case discussions, and simulations, participants will gain exposure to the future-ready practices shaping the financial world.

This MDP addresses the growing need for finance professionals, managers, and academicians to understand and adopt digital tools in financial management.

OBJECTIVES OF THE PROGRAMME

The objectives of the MDP programme are as follows:

- i) Provide an overview of digital transformation and emerging technologies in finance.
- ii) Explore the role of AI and data analytics in financial decision-making.
- iii) Understand automation tools and their application in financial operations.
- iv) Examine FinTech innovations and their impact on corporate finance.
- v) Develop practical skills for implementing digital finance strategies.
- vi) Discuss challenges, risks, and ethical considerations in digital finance.

EVENT DESCRIPTION

This MDP will be a 5-day program comprising expert sessions, workshops, simulations, and case discussions. Participants will interact with industry professionals, academicians, and FinTech practitioners to gain practical insights into digital finance transformation.

The program will cover topics such as:

- i) **Introduction to Digital Finance:** Concepts, trends, and global developments.
- ii) **AI in Finance:** Predictive analytics, forecasting, and decision support systems.
- iii) **Automation in Finance:** Robotic Process Automation (RPA) in accounting and reporting.
- iv) **Financial Data Analytics:** Tools such as Excel, Python, and visualization dashboards.
- v) **FinTech Innovations:** Blockchain, digital payments, and financial platforms.
- vi) **Risk Management:** Data-driven risk assessment and fraud detection.
- vii) **Ethical & Regulatory Considerations:** Data privacy, cybersecurity, and compliance.

EXPECTED OUTCOMES

Upon completion of this MDP, participants will be able to:

- i) Understand key concepts of digital transformation in finance.
- ii) Apply AI and analytics tools for financial decision-making.
- iii) Evaluate and implement FinTech solutions in organizations.
- iv) Improve efficiency through automation of financial processes.
- v) Address ethical, regulatory, and security challenges in digital finance.

TARGET PARTICIPANTS	: Finance professionals, accountants, bankers, managers, entrepreneurs, MBA students, and academicians
REGISTRATION FEES	: Rs. 800/- only
METHODOLOGY	: Lectures, hands-on sessions, case studies, group projects, real-life datasets
CERTIFICATION	: Participation certificate upon completion of the MDP with minimum 75% attendance and task completion.
ATTENDANCE	: Attendance will be recorded on the online platform in excel format.
ACTIVE ONLINE PRESENCE	: Interactive polls and quizzes will be conducted to assess MDP outcomes.

PROGRAMME SCHEDULE

Date	Session	Time	Topic
13th July, 2026 Monday (Day 1)	-	09:15 AM – 09:30 AM	Inauguration
