7TH SUMMER INTERNSHIP FAIR

2ND MAY 2026(SATURDAY)

Gitarattan International Business School

Grade 'A' Accredited by NAAC

The Industry Institute Partnership Cell (IIPC) of Gitarattan International Business School (GIBS), Delhi, successfully organized the 7th Summer Internship Fair on Saturday, 2nd May 2026. The event was conducted in a hybrid mode, a forward-thinking approach designed to ensure maximum accessibility and participation for both students and recruiters. This model enabled seamless interaction through a combination of physical presence and virtual interfaces, enhancing the reach and efficiency of the internship process. The fair aimed to bridge the ever-important gap between academic learning and real-world industry application by providing practical and meaningful internship opportunities to students from multiple academic disciplines.

The event saw the active participation of reputed companies, facilitated by CMS, including notable organizations such as Openwings Foundation, Hazelnut Cyborg Infra, Savera National Trust, Talking Crooks, Digilive 24, Knowledge Squard, Wealth Blueprint, SteamPRO and many more. In addition, 6 distinguished law firms from CLS took part in the event, including SB Jain & Associates, BKA Lawyers and others.

These firms offered specialized internship opportunities for students from legal backgrounds, covering key practice areas such as corporate law, litigation, compliance, intellectual property, and legal research. Their participation provided law students with meaningful exposure to professional legal settings and opportunities for direct interaction with experienced practitioners.

Student participation in the fair was enthusiastic and widespread. The event drew a strong response from students from various academic programs at GIBS. Participants included students from MBA and MBA (International Business) – Semester 2, BBA (Morning and Evening) – Semester 4, Integrated BALLB (Hons.) – Semesters 4, 6, and 8, and Integrated BBALLB (Hons.) – Semesters 4, 6, and 8. A total of 204 students participated in the fair, comprising 141 from management streams and 63 from law programs. Out of which 109 Students from Management got placed and from Law 15 students placed. The hybrid format of the fair proved highly beneficial in this context, offering flexibility and convenience to both students and recruiters.

Throughout the event, representatives from participating organizations conducted interviews and interacted extensively with the students. They evaluated candidate profiles based on multiple parameters, including communication skills, subject knowledge, problem-solving abilities, and

Gitarattan International Business School

Grade 'A' Accredited by NAAC

professional demeanor. Many companies also reviewed students' resumes beforehand, conducted aptitude assessments, and held virtual discussions to shortlist candidates for further rounds. The fair resulted in a significant number of student selections, a clear indication of both the preparedness of the students and the effectiveness of the academic and skill-building environment fostered at GIBS. Students who were shortlisted or selected expressed great satisfaction and optimism, recognizing the event as a vital milestone in their professional development journey. For many, this marked the first formal engagement with industry professionals and provided a strong foundation for future endeavors.

Behind the scenes, the successful execution of the fair was made possible through the coordinated efforts of the faculty members and the IIPC team. From initial planning and company outreach to student orientation, interview scheduling, and logistical management the faculty coordinators played an instrumental role. Their dedication and proactive approach ensured that the event ran smoothly and achieved its intended objectives. The IIPC's consistent initiatives in bridging academia and industry have made a significant impact in fostering professional exposure among students. By organizing such internship fairs, the institution not only connects students to career opportunities but also strengthens long-term collaborations with corporate and legal firms. This approach underlines GIBS's mission to create career-oriented platforms that go beyond classroom learning and equip students with the necessary skills, confidence, and insights to thrive in competitive professional landscapes. In conclusion, the 7th Summer Internship Fair at Gitarattan International Business School was a resounding success.
