

**ACADEMIC VISIT
THE SUPREME COURT OF INDIA
11TH & 12TH AUGUST 2026 (TUESDAY & WEDNESDAY)**

An academic visit to the Supreme Court of India, New Delhi, was organized for the students of the 9th semester of the B.A. LL.B. and B.B.A. LL.B. programmes by Centre for Legal Studies, GIBS with the objective of providing them with meaningful exposure to the functioning of the apex judicial institution of the country.

The visit served as an important bridge between theoretical legal education and practical understanding of the judicial process. Students gained valuable insights into the functioning of the Supreme Court, courtroom proceedings, judicial administration, and the institutional significance of the highest court in India. The visit also enabled students to appreciate the constitutional role of the Supreme Court in protecting fundamental rights, interpreting the Constitution, and upholding the rule of law.

The students had the opportunity to observe the professional environment of the Court and understand the discipline, decorum, and ethical standards expected within the legal profession. The experience further encouraged them to connect concepts studied in subjects such as Constitutional Law, Administrative Law, and Procedural Law with their practical application.

The visit was particularly significant for students approaching the completion of their undergraduate legal education, as it enhanced their professional awareness, legal reasoning, and appreciation of judicial institutions. It also motivated students to explore careers in litigation, judicial services, legal research, and other areas of the legal profession.

Overall, the academic visit was highly enriching and successfully achieved its intended objectives. It provided students with firsthand institutional exposure, strengthened their understanding of the Indian judicial system, and contributed meaningfully to their holistic professional development as future members of the legal fraternity.
