Gitarattan International Business School
Grade 'A' Accredited by NAAC

Gitarattan International Business School (GIBS) organized Jurist Day on the theme- "Justice Delivery and Contemporary Challenges before Judiciary: Lessons for Law Students" on 30th September 2026. We were deeply honored to have with us on the occasion esteemed Jurist-Speaker, Shri Rajiv Dutta, Senior Advocate, Supreme Court of India, a distinguished member of the legal fraternity of the country with over five decades of rich experience in the profession of law.

In his address, Shri Rajiv Dutta gave the students invaluable insights into real-world advocacy, court dynamics, and the responsibilities of future lawyers. He sequentially described the merits of choosing a career in law, preparing to look for opportunities available in the profession and making sincere efforts to accomplish the task of recognition as a lawyer.

He advised the students to move on steadily, working with genuineness and substance to earn trust of being true in his rendering duties to the court and earn trust of the judge. Shri Dutta stressed for possessing a fine knowledge of the systems through sharp observation and taking decisions as a lawyer with a very well understanding of the system. The students must learn the art of conversing with judges credibly and convincingly. They must also learn to move ahead reasonably in case of losing a case and accept the realities. During their studies the students are supposed to be quite appropriate about the application of law and arguments. Merely being argumentative is not the only quality for becoming a successful lawyer.

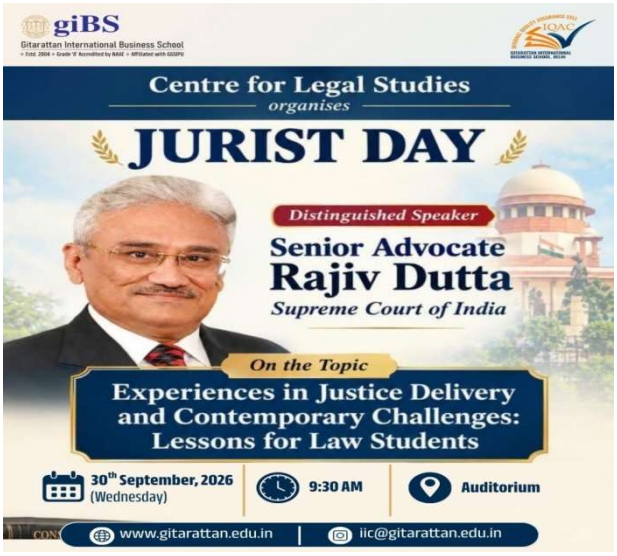

The revered speaker explained to the students the necessity of being close to the Bar Associations and benefits of participating in their activities. First Generation-Lawyers can benefit from these associations more as new to the system. Young lawyers should contribute to the working and growth of the institutions.

Senior Advocate Dutta, in his very beneficial speech, talked about manner of speaking and dressing which as well must be as per the requirements of the profession.Talking about challenges to the system, he explained the transformation processes, Public Interest Litigation,

development of environmental jurisprudence, right to information, and use and abuse of emerging technologies. He called for the use of technologies for better ease in the system. He completed his address by a piece of advice to work to make the system sustain.

This was followed by concluding remarks by Prof. (Dr.) M. Afzal Wani, Principal, CLS-GIBS who appreciated the earnest willingness of Shri Rajiv Dutta to interact with students and his meticulous address carrying very important lessons for students of law. Prof Wani asked the students to appreciate their challenges ahead and prepare now to face them in future. He advised the students to learn to think, understand and interpret. He also advised the students to respect the institution and its norms.The event was ultimately found as an inspiring experience for enriching knowledge about courtroom experience, ethical commitment, and plans of perseverance to shape a meaningful career in law.

FLYER OF THE EVENT

giBS
Gitarattan International Business School
