The NSS Unit of Gitarattan International Business School (GIBS) successfully organizedWASTE MANAGEMENT SESSIONin collaboration with SUKALP FOUNDATION on 18th& 19thSeptember 2026.

The session was conducted between 10:00 AM and12:00 PM at Ekta Village, Haiderpur as part of our social responsibility and community awareness initiative. The Skill Development and Education Programmeis organized for the residents of Ekta village to promote theskill development, education, and meaningful community engagement. The session aimed to empower the children and women of Ekta Village by providing them with opportunities to learn practical skills and strengthen their educational knowledge.

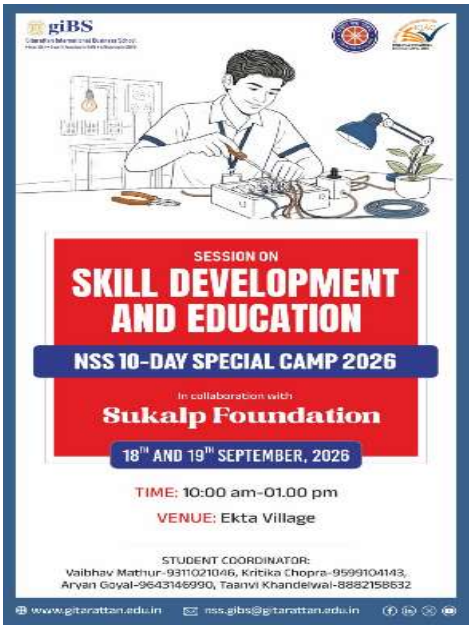

The Skill Development Session, conducted on 18th September 2026, focused on empowering the children and women of Ekta Village through practical skill-based learning. Participants were introduced to useful everyday skills, including sewing and other basic vocational skills, encouraging them to develop their abilities and explore opportunities for self-reliance.

On 19th September 2026, an Education Session was organized for the children, focusing on learning, revision, interactive activities, and developing better study habits. The sessions aimed to make learning engaging while encouraging participants to build confidence and improve their skills and knowledge.

The volunteers enthusiastically participated in the sessions, making the session meaningful towards creating greater community awareness, education, and participation. The activities strengthened their sense of social responsibility and encouraged them to contribute towards the skill development and educational growth of the community. The programme reinforced the importance of collective efforts in promoting practical skills, supporting education, encouraging self-reliance, developing better learning habits, and building an empowered and progressive community.

The NSS Unit remains committed to organizing such socially impactful activities and encourages continued community participation in future initiatives.
