Gitarattan International Business School (GIBS) organised a Career Advancement Programme (CAP) on "Aptitude and Reasoning for Competitive Examinations" on 5 October 2026 for students of BBA Semester V, MBG Semester V, MBA Semester III and MBA-IB Semester III. The primary objective was to strengthen students' logical reasoning, analytical thinking, problem-solving abilities and preparation for competitive examinations.

The programme commenced with a warm green welcome of the guest speaker, Mr. Vipin Narang. Porf.(Dr.) Manisha Nain Ma'am welcomed him through a green welcome ceremony, symbolising environmental awareness, sustainability and the institution's commitment to eco-friendly practices. The gesture created a positive and respectful atmosphere for the session .

Mr. Vipin Narang, an experienced CAT mentor associated with Teachwell Professional Studies Pvt. Ltd., conducted an interactive and practical session on aptitude and reasoning. He explained important concepts used in competitive examinations and demonstrated effective approaches to solving complex questions.

A major highlight of the programme was his practical demonstration of CAT-level aptitude questions. He solved questions step by step, explaining the underlying concepts, logical approaches and techniques required to reach the correct answers. The demonstration helped students understand how to approach challenging problems systematically rather than relying only on memorisation.

The session also emphasised the importance of time management, accuracy, analytical thinking and regular practice while preparing for competitive examinations. Students gained valuable insights into examination-oriented problem-solving strategies and efficient methods of approaching aptitude questions.

The programme was coordinated by the student coordinators Kanika Tyagi, Kush Garg, Parth and Tisha. They contributed to the organisation and smooth execution of the event, assisting with coordination and supporting the arrangements required for the successful conduct of the session.

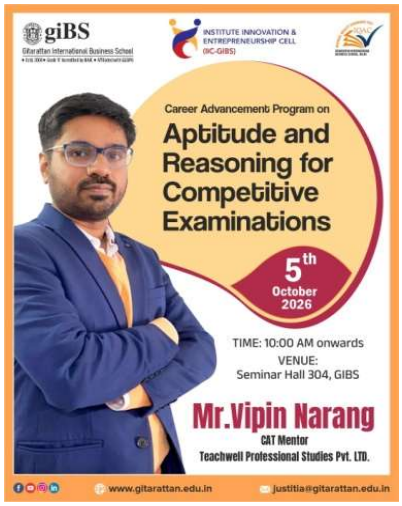

The programme provided students with several valuable learning inputs:

1. Practical Aptitude Skills: Students gained exposure to CAT-level questions and their step-by-step solutions.

2. Logical Reasoning: The session encouraged students to develop structured and logical approaches to problem-solving.
3. Time Management: Students understood the importance of solving questions efficiently within examination time limits.
4. Accuracy and Confidence: Practical demonstrations helped students understand how to improve accuracy and build confidence.
5. Competitive Examination Preparation: Students gained useful insights into the preparation strategies required for aptitude-based competitive examinations.

The event was an informative and valuable learning experience for the students of GIBS. The practical approach adopted by Mr. Vipin Narang made the session engaging and helped students understand the application of aptitude concepts in competitive examinations. The Overall, the event supported students in enhancing their analytical abilities, problem-solving skills and readiness for future competitive examinations.

FLYER OF THE EVENT

TYPE OF EVENT	Co-curricular
VENUE	Seminar Hall 304

giBS
Gitarattan International Business School
Grade 'A' Accredited by NAAC

TIME & DURATION	10:00 am onwards
CONDUCTED BY	CMS- GIBS
ORGANISED FOR	BBA V SEM, MBG V SEM, MBA III SEM, MBA IB III SEM
NAME OF THE COORDINATOR	Prof.(Dr.) Manisha V. Nain
ATTENDANCE	98 students
RESOURCEPERSON DETAILS	Mr.Vipin Narang, CAT Mentor, Teachwell Professional Studies Pvt. LTD.
OBJECTIVES OF THE EVENT	• To develop logical and analytical reasoning skills among students to enable them to analyse information, identify patterns, and solve problems systematically. • To enhance speed, accuracy, and problem-solving abilities through structured practice and examination-oriented reasoning techniques. • To improve students' confidence and preparedness for reasoning-based sections of various competitive examinations and enhance their overall career readiness.
LEARNING OUTCOME	• To enhance students' logical and analytical thinking abilities by developing their skills in interpreting information, identifying patterns, and solving reasoning-based problems. • To improve students' speed, accuracy, and problem-solving abilities through systematic practice and effective examination-oriented reasoning techniques. • To build students' confidence and preparedness for competitive examinations by equipping them with effective strategies to solve reasoning questions within limited time.
SHORTFALL DURING EVENT	None
